

"It is our mission to assist those who may be experiencing occurrences that may be of a paranormal nature. To determine whether these occurrences are natural or indeed paranormal. We aim to assist both our clients and spirit alike to the best of our ability in a judgement free environment."

-Mario Andrew Neophytou

New Light Paranormal Founder

The purpose of this document is to acquire the necessary information for our team to determine how best to assist you. This will also aid us in how to best prepare for an upcoming investigation of your home or business.
