

YOUNG ADULT RETREAT

JUNE 24 - 27

If you grew up going to camp and then felt that missing...something... as you entered college-

We have heard you!

If you have never been to camp but you are in college (or a little older) and you want to connect to other Young Adults around the region-

We have heard you!

*This year the Region is hosting a **Young Adult Retreat** the evening of June 24th- the morning of June 27th. There will be games, and crafts and other camp activities.*

But there will be the chance to really create the agenda as we go. There will be discussion that can go deeper on harder subjects. There will be Bible exploration. There will be no question left unasked. There will be No traditions left unchallenged.

There will not be counselors per se, but there will be discussion leaders that will grow along with you!

So join us June 24-27th (Monday Evening to Thursday Morning) Camp Jo Ota in Clarence Mo- \$185 (which of course gets you a camp shirt as well).

Any questing contact the director, Zane Whorton at zane78@gmail.com
