**Other information:**

1. Please clearly label all items with camper’s last name, even sleeping bags and luggage.
2. Campers are responsible for carrying and taking care of their own gear - please help your camper by packing things in bags that are easily carried, rolling or stuffing sleeping bags tightly.

**NEOLA/MUP Disciples Camps are not responsible for lost, stolen or damaged items.**

***Please read the General Camp rules thoroughly... many of your questions will be answered!***

COMING & GOING FROM CAMP – **Refer to your child’s director letter for check-in/check-out times.** Please do not arrive early for check-in; staff will be preparing for your child’s week at camp.

**Note:** Campers will only be released to parents or guardians named on registration form, unless authorized in writing by parent/guardian.

Campers are expected to remain at camp for the entire camp session. Leaving camp for even a few hours is disruptive to camp community, promotes homesickness, and brings traffic into camp, which is a safety concern. **For the safety of all campers, unless there is an emergency, plan for your camper to stay at camp without interruption.** Early departure requests must be provided in writing before or during camp check-in.

EMERGENCY PHONE NUMBERS – **In an emergency, call your child’s Camp Director on his/her cell phone (# in Director Letter, last page of this packet.** If you can’t reach the Director, call Zane Whorton (660-998-4158). Campers have access to a phone **for emergencies only. Please do not ask your child to call you; this prompts homesickness in your child and others.**

CAMP VISITORS - Families are welcome to visit camp before your child’s camp, and to tour camp and meet the staff when you are checking in for camp. **For the safety of all of our campers, visitors are not invited into camp during camp sessions, except for scheduled activities. ALL visitors to camp must check in at the camp office.**

SMOKING & TOBACCO USE – Our events are non-smoking and tobacco free. Staff and campers are expected to refrain from using tobacco products while on camp property during camp sessions. **Violating this expectation may result in participants being sent home at their own expense. Parents of campers will be notified by event leadership.**

SWIM TESTING – all campers are swim tested on the first day of camp and issued a “swim band” to be worn while at camp which indicates their swimming ability.

CABINS – Cabins are air-conditioned depending on the campsite the showers may be in the cabin as well or in a separate bathhouse. Adults sleep in the cabins with campers

COMMUNICATING WITH YOUR CAMPER – There are two ways to communicate with your camper at camp:

1. **Send a letter or a card.** Please send regular mail BEFORE your child gets to camp to ensure delivery. Mail sent after camp begins often arrives after camp is over, so send your letters early.

**CAMPER MAILING ADDRESS:**

*Listed on director’s letter!*

*Campers are encouraged write home, too. Please pack pre-addressed, stamped envelopes/postcards.*

CELL PHONES and Smart Watches – **Please do not send a cell phone to camp with your camper.** Here are some important reasons we ask campers to leave cell phones at home:

1. Most cell phones have cameras and campers like to take photos of friends and activities at camp. However, there are some campers whose parents do not give permission (for safety or custodial reasons) for their picture to be taken at camp. If campers have cell phones, we cannot guarantee that an individual’s photo will not appear on another camper’s Facebook page or be made public in some way.
2. One of the significant faith experiences of camp is becoming part of an intentional Christian community. Cell phones pull us away from the camp community, when we receive/send a text or respond to a call. This pull to “back home” relationships can be enough of a distraction that it can be difficult to stay present with the new relationships forming at camp.

In case of emergency, our staff will contact you. If your high school camper must drive to camp, she or he will be encouraged to call and let you know of their safe arrival, then to turn in their phone along with their car keys, both of which will be returned on the last day of camp.

MEDICAL CARE AT CAMP – Most weeks our staff includes a camp nurse and we always have at least two staff certified in First Aid/CPR. Jo-Ota is located within minutes of hospital facilities, should a medical emergency arise. Camper Health Forms are reviewed prior to camp so that staff are aware of any special health concerns. *Campers are covered by a camp accident policy, however this plan is secondary medical coverage.*

CAMPER MEDICAL CHECK-IN at CAMP – Medications must be in their original or prescription containers. This includes over the counter medications like Tylenol, decongestants, vitamins, etc. Medication to be taken during camp must be turned in to the Camp Health Staff when your child checks in.

All campers receive a health screening, head lice and temperature check before going to cabins. Anyone found to have lice, a persistent temperature of 100° F or higher, or signs/symptoms of a communicable disease will not be admitted to camp. Program and supply expenses are incurred based on the campers registered for an event; campers sent home for health reasons do not receive a refund of fees.

ADDITIONAL CAMPER INFO and MEDICAL FORMS – Please complete the forms below as needed and bring them to check-in.

**Medication Record:** Complete this form and bring it to check-in if your child will be taking medication or vitamins at camp, Bring meds in a gallon Ziploc bag.

1. **Food Allergy Action Plan: Complete only if your child has food or other serious allergies.** Bring the completed form (including a current photo of your child) with you to check-in.
2. **“About Me” Page:** Try It, Junior and Elementary Campers Complete and bring to camp or return to the Registrar before camp to help director and counselors get to know your camper.

CAMP MISSION PROJECT – One of our traditions is to come together as a camp community to support a ministry outside ourselves. Look for details about this year’s mission project in your director’s letter

LOST & FOUND – **Clearly label your child’s clothing and items so we can get them returned to you!**
