

**WHITE PINE ESTATES HOMEOWNER ASSOCIATION
APPLICATION FOR BOAT PARKING PERMIT**

The Association reserves the right to prohibit all boats and watercraft from being temporarily or otherwise parked within the common area, including anywhere on Glass Shoe Circle, in front of garage doors or anywhere that a boat and/or tow vehicle impedes access by emergency vehicles. By completing the following information on this form and submitting no less than seven (7) days in advance to management, the Board may grant a boat owner up to a ten-day conditional boat parking permit, to park a single boat within an assigned parking space. Any extensions to the ten(10) day period will need to be requested in writing and approval will be dependent upon parking availability. WPEHOA does not allow for permanent seasonal boat storage. Tenants, visitors, or guests are prohibited from parking boats or other watercraft within WPEHOA common area.

DATE: _____ OWNER UNIT NUMBER _____

PARKING REQUEST DATES: FROM _____ TO _____
