

On behalf of the Martin County High School Tiger Regiment, I would like to thank you for your consideration in sponsoring the Tiger Regiment for the 2019/2020 school year. Your generous donation would be greatly appreciated and extremely important to the success of our program.

Many do not realize the significant costs associated with running a successful band program and how your sponsorship makes such a difference. Our band annually performs in front of thousands of people at home football games, concerts, special performances and is recognized as a premier band in the area. Past performances have included the New York's St. Patrick's Day parade in 1990, 1994, and 2009; Washington DC in 1984 and 2019; New Orleans in 1987; Atlanta in 1998; a concert in Shimonoseki City, Hiroshima in 2002; and Anaheim, California in 2016.

Our motto in the Tiger Regiment that our students live by is Spirit, Unity, Determination and Attitude ("S.U.D.A."). We use this motto to reach our goal of creating a positive atmosphere for our students to achieve their potential musically, socially, academically and as great human beings. Many of our alumni have become leaders in our community and abroad, music, business and education of future generations.

Without the generosity from the community it would not be possible to make band affordable for all students. Your support helps us achieve this goal by keeping band fees affordable for everyone to benefit from our program.

The donations are used to pay the many costs incurred to achieve our goals, which unfortunately cannot be covered by the school district. These costs include but are not limited to buses used to travel to competitions, music, instruments, instrument repair, instructor/clinicians, uniforms and uniform cleanings.

If you have any questions or wish to discuss other opportunities to help our program, please let me know if there is anything I, or my students can do for you. We look forward to working with you in the future and would like to again thank you for your generous contribution.

Sincerely,

Michael Halcovage

Michael Halcovage, Director of Bands
Martin County High School
