

Jubilee Copse

Terms & Conditions

- Trees planted in the Jubilee Copse will be the most suitable for Oaks Park.
- The cost to sponsor each Jubilee tree is £700, with a £200 deposit (non-returnable) payable when the order is placed.
- The balance of £500 will be payable within three months.
- The cost will cover regular watering of the tree in the first growing season, as and when required, and over the next three years at decreasing intervals.
- If the tree should fail during the first season, the Parks Service will replace the tree the following planting season, but on one occasion only.
- Once the tree has been planted it then becomes the property of the London Borough of Sutton.
- Plaques on trees will not be allowed. Large numbers of plaques would detract from the look of the park and are vulnerable to damage, which can be very upsetting. It is important to stress that trees are sponsored for the benefit of the park.
- Each sponsor will be able to identify their tree. The Friends of Oaks Park will arrange for a formal record of who has sponsored each tree to be displayed.
- Any floral tributes or other items attached to the tree will be removed, as these items detract from the overall look of the park.

Sponsor a tree in the Oaks Park Jubilee Copse

I have read the Terms and Conditions of sponsorship and agree to them. Signature		

Jubilee Copse & The Queen's Green Canopy

The Queen's Green Canopy is a unique tree planting initiative, created to mark here late Majesty's Platinum Jubilee in 2022. It aims to plant more trees in the UK and across the Commonwealth.

The Friends of Oaks Park and Sutton Council are running this project and are creating our own legacy for the park. This is a really exciting opportunity to give something back to a beautiful place.

We have planted a new Jubilee Copse in the main body of the park, principally with English native trees such as hornbeam, elm and beech. Individuals and groups have sponsored trees, or contributed to one of the community trees, either in memory of someone, or just to show their commitment to the park.

How you can become involved

- Mature trees cost £700, including planting and care for 3 years.
- Your tree will be officially numbered and you will receive a certificate.
- A non-refundable deposit of £200 will be required with your application.
- Contributions of smaller amounts towards a Community Tree in the Copse would be very welcome.
- Memorial plaques will not be allowed, but you will know which tree is yours and there will be an official record on display and online.

Please complete the attached form and send it to: The Treasurer, Friends of Oaks Park, 95 Chipstead Way, Woodmansterne, Surrey SM7 3JJ.
