## Over-Night Parking at PackLeader Farm

Thank you for attending the event being held at PackLeader. We hope your stay will be enjoyable. We are trying to accommodate the needs of many people who are bringing recreational vehicles and/or camping at this event so we thought it would be helpful to provide some guidelines that hopefully will let everyone enjoy their stay.

- ✓ Please check in with the committee or facility owner prior to parking your vehicle. We need to have parking organized so we can accommodate the number of vehicles we are expecting. Someone will give you directions on where to park.
- ✓ Please fill out the attached form with some information so if we need to locate you while you are attending the event we can do so.
- ✓ If you are using a generator, please be considerate of your neighbors as to the time you have it running, especially at night.

Please help out by monitoring your dogs:

- ✓ All dogs must be contained or on lead at all times while on the facility property (unless you are using an area that is specified as off- lead). The arenas should not be used for exercising and pottying your dog(s) as it is distracting to the dogs that are expected to perform in those areas.
- ✓ Dogs should not be left in x-pens while you are away from your vehicle. There is a lot of activity going on during the event and we wouldn't want anything to happen so that your dog escapes.
- ✓ Aggressive behavior of your dog(s) toward other dogs, livestock or humans is not permitted.
- ✓ Please pick up after your dogs while you are at the facility.
- ✓ Please avoid fence lines/gates where guardian dogs are working.

If you need to contact us during your stay:
