WE ARE PROUD TO SERVE YOU

Thank you for considering ArmorDillo Guards (TM); our line of CTL and skid steer protection. We are the original designers and manufacturers of ArmorDillo Guards, and we have been proudly supplying quality skid steer accessories from Plantersville, Texas for over 7 years. By investing in our guards, you are not only safeguarding your equipment but also increasing the overall efficiency and productivity of your operations. Our patented products are built to last, ensuring a long-term return on your investment. Operators and Rental Entities continue to enjoy the cost reduction resulting from the protection of vulnerable machine components.

In the fast-paced world of construction and heavy equipment operation, maximizing uptime is critical to your success. Downtime due to equipment damage can translate into lost productivity and revenue. That's why we have developed these purpose-built guards and accessories with a primary focus on ensuring uninterrupted uptime for your operations.

Thank you for choosing ArmorDillo Guards as your trusted partner in equipment safety and reliability. We look forward to serving you and helping your operations reach new heights of success.

“ArmorDillo Guards don’t just protect your machine, they safeguard your money”

Sincerely,

A handwritten signature in black ink that reads "William Lewis". The signature is written in a cursive, slightly slanted style.

WHY CHOOSE ARMORDILLO?

Tailored to Perfection: Our guards are custom-designed to seamlessly fit your specific CTL/skid steer loader model. They're not just protective; they're a perfect match for your machine's aesthetics. Plus, they won't obstruct the functionality of your machine.

Effortless Installation: We understand your time is precious. That's why our guards come with easy-to-follow instructions and all the necessary mounting hardware. No drilling or welding is required! You'll have it securely installed in no time.

Enhanced Equipment Lifespan: Protecting your CTL/skid steer loaders means extending their life and reducing replacement costs. With our guards, you'll see significant savings instantly.

Minimized Downtime: Avoid costly downtime due to damaged machines. Our guards help ensure your machine remains operational in all conditions, maximizing your uptime and productivity.

Resale Value: Protecting your skid steer loader also protects its resale value. When it's time to upgrade or sell your machine, you'll get a higher return on investment.

Confidence in Performance: With ArmorDillo Guards, you'll have the confidence to take on challenging jobs and tackle demanding conditions, knowing that your machines are protected.

Join countless satisfied customers who have discovered the exceptional value our guards add to their equipment. Don't settle for less – choose ArmorDillo Guards and experience a game-changing addition that protects your investment.

Contact us now to unlock the unparalleled value of Armordillo Guards and elevate your CTL/skid steer loader to new heights of productivity and longevity!
