

ARMORDILLO GUARDSTM

WE ARE PROUD TO SERVE YOU

FULL PRODUCT LINE BROCHURE

Thank you for considering *ArmorDillo Guards*;
our line of **CTL and skid steer protection accessories**.

About Us:

We are the original designers and manufacturers of *ArmorDillo Guards*. We have been proudly supplying quality skid steer accessories from Plantersville, Texas for over 7 years.

What We Can Do For You:

By investing in our guards, you are not only **safeguarding** your equipment but also increasing the overall **efficiency** and **productivity** of your operations. Our products are built to last, ensuring a long-term return on your investment. Operators and Rental Entities continue to enjoy the cost reduction resulting from **the protection of vulnerable machine components**.

Why We Do It:

In our fast-paced world of construction and heavy equipment operation, *maximizing uptime is critical to your success*. Downtime due to equipment damage can translate into lost *productivity and revenue*. That's why we have developed these purpose-built guards and accessories with a primary focus on ensuring **uninterrupted uptime for your operations**.

Thank you for choosing ArmorDillo Guards as your trusted partner in equipment safety and reliability. We look forward to serving you and helping your operations reach new heights of success.

"ArmorDillo Guards don't just protect your machine, they safeguard your money!"

Sincerely,

William Lewis
