

Marli's Place: Inclusive Animal-Assisted SEL

A calm, predictable Tier 1 SEL experience—fully facilitated on campus.

Why Schools Partner With Us

- 6-week push-in SEL series aligned with CA-MTSS Tier 1 and CASEL 5
- Improves self-regulation, empathy, boundaries/consent, and engagement—without extra teacher prep.
- Inclusive for General Education and Special Education; teacher remains present while we facilitate.

What We Provide

- Fully facilitated push-in sessions (2 visits/week, 30–45 minutes, 6 weeks; inside the classroom).
- Guided observation + optional consent-based interaction with rabbits, chicks, and/or pygmy goat.
- Teacher supports: pre-visit framing, reflection sheets, simple extensions.

Measurable Outcomes

- Brief outcomes snapshot at end of pilot: engagement, regulation after transitions, boundary/safety adherence, participation.
- Examples of Outcomes Recorded:
 - % of students demonstrating safe boundaries
 - % showing improved transition regulation
 - % demonstrating engagement
