

# Winter Field Day *January* 28-29th

W7V

*11 AM Saturday  
To  
11 AM Sunday*  
(We will also be staying Friday night)

When you come to visit us, please bring a small bundle of firewood from the grocery store to keep us nice and toasty at night.

*Come on out and join us! We need operators to contact Joe, KK7FWM, and get the scoop for this weekend! (anyone with CW key?) It will be a lot warmer than WFD in Montana!*

And we have a great location! This year, we will be "Glamping", camping with a couple of upgrades. Our location is in the White Tanks Regional Park, the Willow Campground. (Sites W-7 thru W-12). The campground is nice and clean, with restrooms close-by. A **Crock Pot Chili Cook-Off** will warm our bellies on Saturday night, so don't forget your crock pot with favorite recipe and your extension cord!
