

Tape Measure Antenna Build Event

Pedro, W7PML making some final adjustments to a tape measure antenna during the antenna build event. Photo by Fred, KI7FGZ.

A whole bunch of potential Fox Hunters with their newly made tape measure antenna. Watch out Fox, they are coming for you. Photo by Fred, KI7FGZ.

Gary, K8BKB working on getting the coax connection just right for the tape measure antenna. Lots of supervision. Photo by Fred, KI7FGZ.

Ham Radio Trivia

1. What do the Amateur Radio Stations NA1SS and RS0ISS have in common?
