

FINAL REQUEST FOR FIELD DAY VOLUNTEERS!

For our Field Day to be a success, **we need your help!** We still need operators and loggers especially for the overnight hours (the best time to operate). You don't need to be an old pro to operate Field Day. There will be very experienced operators on hand to assist. You will find this an interesting and fun event with lots of camaraderie! If transportation too and from the Field Day site is an issue, we may be able to help. Let the scheduler know when you call and we will see what we can do to get you a ride. **Contact Josh Cavender, KE7WIL at (480) 220-6511 or by email at ke7wil@gmail.com to sign up to operate or log or both!**

Help us get the worried look off our Field Day coordinators face!

Julia is also still looking for help with food service. She currently has the 24 hour period covered with one person per shift. She would ultimately like to have two people per shift... so she is looking for about six more volunteers. **Contact Julia Korytkowski at (623) 628-0154 to help out!**

ARRL Field Day is the single most popular on-the-air event held annually in the US and Canada and the biggest yearly event for our club. Come on out and help us make this event a big success!

Our field day will be held at the **Dysart Community Center 14414 North El Mirage Road, El Mirage, Arizona 85335.**
