

## Looking for 3 Members for the Nomination Committee

A new Board of Directors is elected each year at the December General Meeting. The next slate of board members will begin January 2025.

We need 3 Members to serve as a Nominating Committee. Your first meeting should be by October 18th. (per the club by-laws)

Your Nominating Committee would like Members to think ahead about whether they might like to be on the Board.

Serving on the Board of Directors supports the life of the club, and contributes to our community. There will be vacant positions for 1-year and 2-year terms.

The Nominating Committee welcomes Members to nominate themselves, or to suggest names of other Members to be considered. Nominations are also invited as a potential Member of the Nominating Committee, but current board members are not eligible for the committee.

All suggestions are welcomed, and will be received in confidence. Please contact any board member to nominate a candidate and/or be a part of this committee.
