WVARC will be hosting a Field/Fun Day
June 22nd & June 23rd

It is only 5 weeks until summer Field Day!
Saturday June 22 & Sunday June 23 will be
the big event!

WVARC will be hosting a Field/Fun Day at
**our new clubhouse, 11115 W. Nevada in
Youngtown.** COME ON DOWN ! This event
is open to members and of course OPEN
TO THE PUBLIC! Visit, Socialize, **get on the
air**, snack, check out the new facilities, and
let's just have a good time playing radio!

For those of you who can't attend the
events in person, **we will be having a net**
on VHF Saturday evening and I'd love for
you all to participate.

At the clubhouse we plan on having a few
HF stations as well as V/UHF. There will
also be a digital station and SDR set up for
demos for anyone interested in learning.

The event will be at the clubhouse, that
means all the conveniences of home;
shade, **air conditioning**, and
fresh-off-the-pole 120V AC power.

The Field Day committee is looking for
volunteers to help with the event, and
volunteers to man the transmitters.

If you'd like to help, contact:
Wally (kb1iee@yahoo.com) or
Fred (fpeters5227@aol.com).

Thanks, and I hope to see you there!
