96 members paid their 1978 dues in December 1977. This is an excellent start for the new year. It would be a record, if we could complete the job at the January meeting. If you pay by check, make payable to "Sun City Amateur Radio Club". Our financial standing has also been improved by 5 members who ordered their QST subscriptions through the club this year. Our present bank balance is \$ 302.50.
