The nomination committee interviewed many of the members and came up with the following slate of highly qualified candidates.

- RULAND W. BARBER, W7LTX - Secretary

Other nominations may be made from the floor.

Our feature speaker for the evening will be Mr. Mike Murray of Mountain Bell. He will speak on Radio Communications used by MA Bell.

At the September 19th meeting, there was a discussion concerning the re-activation of the 2 and 10 meter nets. President Headley reminded the members that this was acted upon at the March 21st meeting and the members voted to re-activate both nets beginning with the 10 meter net (28,700 MHz) on Wednesday March 22nd at 7:30 PM., and the 2 meter net (147.57 MHz) on Friday March 24th at 7:30 PM. There has been very little activity on these nets, perhaps a net control should be appointed to get things going.

Don French, W7IWL is home recovering from major surgery.

A REMINDER that effective October 1st, the recreation centers is furnishing preprinted forms for registration of members attending meetings on REC Center property. ALL MEMBERS attending MUST sign-in and present current REC Center membership Card.
