Winter Reading Challenge*

November 23rd -
January 4th

This institution is an equal opportunity provider and employer.

All ages are welcome to participate in our Winter Reading Challenge.

We do have an alternative option for people who do not have access to the internet or if they are having trouble with their beanstack account.

For the alternative option we will provide paper logs that can be picked up at any of our library locations. When you have completed the paper logs just call the library at 270-756-2323 or send us a message on Facebook (@breckinridgecountypubliclibrary).
