

Breckinridge County Public Library News and Events Programs for February

This month we will be starting our healthy habits program again at the Hardinsburg Main Library. It will be on Monday February 25 at 5:00pm. For this program we collaborated with the Hospital, Health Department, and the UK Cooperative Extension Service. Each month we have a special guest speaker and they typically pick the topic/theme for the program. We will be having two special guest speakers for healthy habits this month. Bethany Bennett cardio/rehab with the Hospital and Lynette Allen from the UK Cooperative Extension Service will be here to talk about heart health and heart healthy recipes.

We also have a fun program planned this month for kids grades 2nd—5th. At the Hardinsburg Main Library we will be having a woodcut painting program on Friday February 8 at 4:30pm. There is a limited number of cutouts, be sure to register if you would like to participate in this program.

 The cutout that we will be painting is going to be a cupcake. 

(Kids grades 2nd—5th & Must be Registered to attend)
