SPECIAL AWARDS

PREMIER EXHIBITOR AWARD (One for Each Breed)

This award is to be made to the exhibitor winning the most money on not more than six animals shown in the single classes and owned by the exhibitor. (Minimum of 4 animals exhibited.) No awards will be presented if there is no competition. Final judgment is at the discretion of the Cattle Superintendent.

PREMIER BREEDER AWARD (One for Each Breed)

This award is to be made to the exhibitor winning the most money in single classes and including animals bred by him/her but exhibited by others. (Minimum of 4 animals exhibited). No awards will be presented if there is no competition. The final judgement is at the discretion of the Cattle Superintendent.

BEST HERDSMAN AWARD

The general appearance of the cattle and barns during the Fair is important to the exhibitor, both from the standpoint of visitors going through the barns and for advertising value. The best herdsmanship award will be based on the following criteria: Cleanliness and neatness of stalls, cattle, and helpers and courtesy and cooperation of the herdsman and helpers. The Steele County Fair Board is awarding a plaque to the best all-around herdsman. To qualify for best herdsman award, there must be a least six head in the heard. Souba Greenhouse will provide a \$100.00 gift card to the top herdsman. Second and third awards will receive a \$25 gift card sponsored by Krasue Feed and Balzer's IBA Dairy Supply.

- An exhibitors' meeting will be held at Noon, Sunday, the last day of the fair. Premium checks and herdsmanship awards will be distributed. Locations will be determined and announced.
- Novice class t-shirts will be sponsored by Stranshome, Owatonna, MN.
- Novice class medallions will be sponsored by ABS Global-Casey Nelson, Ellendale, MN.
- Herdsmanship Judges-Gift cards sponsored by The Blast, Owatonna, MN.

STEELE COUNTY FREE FAIR "BIG STRING" BONUS

In addition to the regular premium schedule listed a bonus premium for large show strings has been established.

- Strings of 4-5 head (at least one must be a milking or dry cow) would receive a \$25 bonus premium.
- Strings of 6-9 head (at least two must be milking or dry cows) would receive a \$50 bonus premium.
- Strings of 10 head or more (at least 4 must be milking or dry cows) would receive a \$100 bonus premium.

A "string" is defined as animals that are regular members of the same herd unit. A display that includes animals from several herds does not qualify for the bonus premium, but strings within the display may if they meet the above definition.

To be eligible for Bonus, animals must be in place by Thursday, August 14th at 5:00 p.m.

Animals must be entered in Lots 2-8 or 20-24 or 31-36.

IF YOU HAVE ANY QUESTIONS CALL SUPERINTENDENT LISTED.

LIVESTOCK INFORMATION

EXHIBITION OF LIVESTOCK AND POULTRY IN MINNESOTA SUMMARY OF STATE RULE GENERAL REQUIREMENTS

The exhibition management may adopt more but not less restrictive health requirements than required by state rule.

Livestock or poultry known by the exhibitor to have an infectious, contagious or communicable disease or to have been exposed to an infectious, contagious or communicable disease, or to be from a quarantined herd or flock may not be entered in an exhibition. **Warts and ringworm are considered contagious communicable diseases.** Therefore, livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

All animals must be examined by the official veterinarian on the day they are admitted to the exhibition and at least once daily during the exhibition. Prior to entering a public exhibition, animals must meet the requirements for exhibition, importation, and intrastate movement as defined by the Board of Animal Health. No animal may enter or be at a public exhibition that shows clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.

The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with clinical signs of infectious, contagious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises.

Livestock and poultry entered in any public or petting exhibit are required to follow exhibition requirements.

CATTLE-Cattle must be individually & officially identified using AIN system after 11-5-24 or NUES system or breed registry tattoos and tags prior to 11-5-24.

SHEEP AND GOATS-Sheep and goats must be officially identified.

LLAMAS & ALPACAS-No requirements.

POULTRY-Chickens, turkeys, and game birds must be individually identified with numbered leg/wing bands. Hatching eggs and young poultry too small for bands can be exhibited as a group but must be accompanied by Hatchery Permit number or NPIP number written on cage. Chickens, turkeys, game birds, and hatching eggs from these birds must be accompanied by a certificate or test chart to show that they originate from a hatchery or breeding flock that is classified U.S. Pullorum-Typhoid clean under NPIP or are negative to a pullorum-typhoid test within 90 days prior to the opening date of the exhibition.

WATERFOWL & PIGEON- Waterfowl and pigeon will follow the same identification requirements as poultry.

SWINE-Swine must be individually & officially identified.

HORSES-Horses, except suckling foals accompanying a negative dam, must be negative to an official test for Equine Infectious Anemia (EIA) (e.g. Coggins test) conducted within 12 months prior to the opening date of an exhibition.

DOGS-Dogs four months of age or older must be accompanied by a certificate of rabies vaccination issued by a licensed veterinarian.
