Description of Course:

One of the most heartening trends of the last century has been the increased interest in the study of the Bible. Many articles, exploratory texts, commentaries, and reference books have been written on and about the Bible.

How did we get our Bible? In this powerful examination, revised and updated by Jim Edlin, readers will be taken on the miraculous journey of the development of the Bible. With veracity and inspiration, this text colorfully introduces readers to the many aspects of development, including the issues of canonization, biblical transmission, archaeological discoveries, translation, and modern textual criticism.
