Description of Course:

This course provides an inspiring and informative journey through the history of the Christian church. Students will explore the church's beginnings in Jerusalem, its spread through the Roman Empire, and its development through key movements, leaders, and revivals that shaped the body of Christ.

We will examine both the triumphs and challenges of the church—persecution, expansion, reformations, and awakenings—discovering how God's hand has guided His people through every generation. Special attention will be given to the church's role in preserving the gospel, discipling nations, and preparing believers for Christ's return.
