Description of Course:

This course unites John Maxwell's timeless *21 Irrefutable Laws of Leadership* with the wisdom and examples found in Scripture. Each law is explored through biblical principles and the lives of leaders. Students will learn how these laws are not just leadership theories but spiritual truths that shape godly influence, character, and effectiveness in ministry. Key areas of focus include:

- Understanding leadership as influence rooted in biblical values.
- Discovering how each law is demonstrated in Scripture.
- Applying the laws to personal growth, ministry, and servant leadership.
- Developing the character, vision, and discipline of a Christ-centered leader.

By the end of this class, students will see leadership not only as a skill but as a calling—one that requires both spiritual maturity and practical wisdom to impact lives and advance the Kingdom of God.
