As the parent/ guardian of _____,
(Child's first and last name printed)

I, at this moment, grant Right At Home Preschool, owner Rashawn Carter – Kamau and associates the right and permission to use images of my child for any legal use, including but not limited to: print publications, presentations, websites, social media photographs, copywriting, illustrations, portraits, pictures, digital images, video recordings, and audio recordings. These may include in whole or part, or reproductions thereof in color or otherwise for any lawful purpose.

The images and recordings will be taken from time to time when children attend during business hours, community events, preschool evenings, and weekend events. Said events may happen at different locations, such as preschools, field trips, outings, and the child's home. Images and recordings will be placed in publications such as newsletters, Facebook, Twitter, community bulletins, our website content, YouTube videos, or/and any legal publication or promotional material.

I give Rashawn Carter – Kamau sole permission to inspect and approve the finished product or the copy that may be used in connection, wherein my child's likeness appears or the use to which it may be applied.

I, at this moment, release, discharge, and agree to indemnify and hold harmless Right At Home Preschool, Rashawn Carter – Kamau, and their associates from all claims, demands, and causes of action that my child or I may have because of this authorization.

Furthermore, I understand that no royalty fee or other compensation shall become payable to my child or me because of such use.

Once the images of your child are placed on public media, they will not be removed until Rashawn Carter – Kamau chooses to do so. All media material will be owned by Right At Home Preschool and Rashawn Carter – Kamau.

I understand that if I DO NOT give consent, my child's face will be blocked out if so happen to be in the image or recorded footage.

I understand that this contract of consent does not expire. I can change my consent status at any time by submitting my request in writing. Once a new consent form is signed, the new group will be in effect.
