*Bon Voyage 2020!*

## Hy-Test, Inc.

---

As we say goodbye to 2020, let's take time to reflect on all the positives from this past year. Do not dwell on the negatives of Covid-19, let's be thankful for the safety and well being of our family and friends. This is the the true gift of the season!

"I would like to thank all our customers for their continuing support. Without which, there would be no Hy-Test, Inc. I look forward to seeing everyone again 2021!"
