OUR STORY

Jennie and Namwon started **dado** in 2002 to share the wonderful taste, health benefits, and culture of tea from different parts of Asia. We strive to create a peaceful space for people to gather to enjoy a delicious meal or a cup of tea/coffee. We are a home away from home for many of our regulars. Recently we started catering to bring our scrumptious food and drink to you.

Feel good about what you eat and drink!

We serve minimally processed, clean, simple, wholesome, and tasty sandwiches, salads, specialty dishes, coffee, and tea to nourish your mind and body.
