WAFFLE WEEKLY

Your trusted source for all things waffle!

FAN FAVORITE: The “BEST” Chicken ‘n Waffles that one guy on Yelp ever had.

WAFFLEY WEDDED

The ever popular Richmond eatery Capitol Waffle Shop is embracing local lovers and helping them to make their special day truly original by bringing the by bringing one thing every Pinterest board should have to the table: WAFFLES. With a wide selection of toppings to choose from (donut crumbles, fresh fruit, Doritos, and *-of course-* fried chicken), there’s something for everyone at the waffle bar.

Not planning any nuptials and still want a custom waffle experience? Capitol Waffle Shop offers office parties! Their waffley wonderful staff will set up a personalized waffle bar at work for you and your co-workers to take a break from the spread sheets and conference calls and have fun creating your own works of waffle art.

SHAKES HAVE US SHOOK

Capitol Waffle Shop is no burger chain, but you sure can “have it your way” with their milkshakes. Pick a topping (or several!) to have blended into a vanilla shake and garnished with a house-made waffle cone straw. We here at *Waffle Weekly* highly recommend a classic mix of peanut butter and banana or get wild and try a strawberry and Fruity Pebbles combo. There’s no such thing as a wrong choice with these sweet treats.

NEW TWIST ON A SOUTHERN CLASSIC

Capitol Waffle Shop is no stranger to thinking outside of the box and implementing new twists and tricks when it comes to classic dishes. Their famous Chicken ‘n Waffles are a spin on the Southern food-staple with fried chicken piled on top of a fluffy waffle dusted with crushed Cap’n Crunch and powdered sugar. Sure, you can leave off the extra fixin’s, but why would you? This perfect play on sweet and savory is too good to pass up.

STROOPWAFELS TAKING RVA BY STORM!

Capitol Waffle Shop on Main Street and the VCU location on North Harrison are single-handedly taking the town by storm with their house-made stroopwafels (yes, with one “F”). These waffl’d wafer cookies filled with a spiced caramel syrup are made fresh from scratch and then dipped in a variety of dark & white chocolate and coated with delicious toppings such as crushed cereals, sprinkles, & Oreos. They’re the perfect pick-me-up on a Wednesday at the office, but get ‘em while you can ‘cause these bad boys sell out quick. 10/10 do recommend!

SHAKE IT UP, BABY: Capitol Waffle Shop’s “Build Your Own” milkshake
