

## **FBA UNIFORMS 2024-2025 SCHOOL YEAR**

**TOPS** Polos shall be permitted, in long or short sleeve, without brand logos, in solid colors navy, light blue, white or gray. We recommend purchasing from The Children's Place (in-store or online. Online has lots of multi-pack options) or Target, which also has a good, affordable selection online.

**PANTS** Uniform-style slacks may be worn in navy or khaki colors, as well as blue jeans, so long as they are without holes, fraying ("distress") or embellishments.

**SHORTS** Uniform-style shorts may be worn in navy or khaki colors and should be knee-length.

**SKIRTS/SKORTS/DRESSES** Uniform-style skirts and skorts may be worn in navy or khaki colors, and must be knee length or longer. Polo dresses may be worn, in long or short sleeve, in solid colors, navy, light blue or gray and must be at least knee length. There are several options for all of these at The Children's Place online  
**\*\*SOLID dark shorts must be worn under all dresses and skirts at all times, for modesty.**

**EXTRAS** Uniform-style fleece or cotton zip up sweatshirts or cardigans may be worn in navy or dark blue.

FBA recommends The Children's Place and Target for a variety of options, competitive pricing, and multi-pack options, but of course you can purchase anywhere you choose, so long as everything is solid and without any logos or emblems. These can be worn plain or with FBA embroidered logo. Tops (including polos, dresses, sweaters, cardigans and jackets ) can be dropped off at the school to have the logo embroidered for \$12 each. To have for the upcoming school year, items should be dropped off for embroidery the week of July 24-July 27, and must include payment for embroidery.
