MISSION STATEMENT

In the busyness of the culture, taking time to focus on your own mental health is an important part of being a healthy person. As the World pauses for the daily strains on the hearts of mankind, it is more critical than ever to seek out sound counsel. There are times in life where many will experience situations that create discomfort. A big part of getting healthy and whole is changing the mindset and moving the body. LWIC wants to be that counseling provider that collaborates with you on your journey to healing the mind, body and soul.
