

# GEORGIA ANIMAL LISTS

## UAPPEAL

### **PROHIBITED SPECIES**

- Mongoose (Herpestes)
- Monk parakeet
- Purple swamphen
- Snakehead (Channidae)
- African tigerfish
- Bighead/ silver/black carps
- Lates
- Wels catfish
- Dreissenid mussels
- Giant African land snail
- Marbled crayfish

### **INHERENTLY DANGEROUS ANIMALS**

#### Mammals:

- Bovids (Genera Addax, Alcelaphus, Boselaphus, Connochaetes, Syncerus, and Taurotragus)
- Kouprey
- Sable
- Gemsbok
- Hippopotamus
- Warthog (Phacochoerus)
- Canines (Canis, Chrysocyon, Cuon, and Lycaon) except coyote
- Felidae
- Hyenas and aardwolves
- Wolverine
- Bears
- Marsupials (Macropodidae)
- Rhinoceros
- Elephants
- Great apes (Gorilla, Pan, and Pongo)
- Lesser apes (Hylobatidae)
- Primates (Macaca, Mandrillus, Theropithecus, and Papio)

#### Reptiles:

- Crocodilians
- Venomous snakes (Families Atractaspididae, Elapidae, Viperidae)
- Snakes (Balanophis, Macropisthodon, Rhabdophis, Dispholidus, Thelotornis, Thrasops)
- Gila monster, beaded lizard (Family Helodermatidae)

#### Fish:

- Piranha (Genera Serrasalminae)
- Gymnotid eels (Electrophorus) – may transport, possess, transfer and sell for 12 months
- American stingrays (Potamotrygonidae) – may transport, possess, transfer and sell for 12 months
- Stonefish
- Weaverfish (Trachinidae)
- Candiru (Vandellia)

#### Invertebrates

- Fattail scorpion (Androctonus)
- Bark scorpion (Centruroides)
- Burrowing thicktailed scorpions (Parabuthus)
- Deathstalker
- Yellow-legged creeping scorpion

## WILD ANIMALS

#### Mammals:

- Moles, tenrecs (Afrosoricida)
- Artiodactyla except buffalo, water buffalo, llama, alpaca
- Carnivora (all) except European ferret if fixed by 7 months and rabies vaccine
- Bats
- Order Cingulata
- Flying lemurs (Dermoptera)
- Marsupials (Diprotodontia and Peramelemorphia) except sugar glider from USDA source
- Hedgehogs (Erinaceomorpha)
- Cony (Hyracoidea)
- Rabbits, hares (Lagomorpha)
- Elephant shrews (Macroscelida)
- Perissodactyla
- Pholidota
- Sloths, etc. (Pilosa)
- Primates (all)

- Rodents except Genera Cavia, Chinchilla, Gerbillus, Meriones, Mesocricetus and house mouse, black rat and Norway rat
- Manatees, etc. (Sirenia)
- Tree shrews (Scandentia)
- Shrews and moles (Soricomorpha)
- Aardvark (Tubulidentata)

Birds:

- Accipitriformes except falconry
- New World vultures and condors (Cathartiformes)
- Cuckoos (Cuculiformes)
- Falcons (Falconiformes) except falconry
- Turkeys (Meleagris)
- Eurasian sky lark
- Crows and ravens (Corvidae)
- Yellow hammer
- Birds (Molothrus, Quiscalus, and Agelaius)
- Ploceidae
- Passer except English house sparrow
- Cape weaver
- Baya weaver
- Quelea (Quelea)
- Bulbuls (Pycnonotidae)
- Genus Turdus
- White eyes (Zosterops)
- Java sparrow
- Starlings and mynas (Sturnidae) except starling and hill myna
- Owls (Strigiformes) except for falconry

Reptiles – limited to scientific, educational, or public exhibition and pets registered within 12 months

- Indian rock python
- Burmese python
- Argentine black-and-white tegu
- Nile monitor
- African helmeted turtle
- Chinese softshell turtle

Amphibians:

- Marine toad, rococo toad, cane toad

Fish – new species may be possessed, sold or transferred for 12 months

- Arapaimas
- Trahiras
- Banded Astyanax
- Grass carp
- Airbreathing catfish (Clariidae)
- Airsac catfish (Heteropneustidae)
- Goonch catfish (Bagarius)
- Swamp eels (Synbranchidae)
- Exotic fish not in tanks or aquaria except domestic species

Invertebrates – new species may be possessed, sold or transferred 12 months

- Apple snail (Pomacea) – limited to scientific
- Asian mystery snail (Cipangopaludina) – Limited to scientific
- New Zealand mud snail
- Bumblebee snail
- Mussels (Etheriidae, Hyriidae, Iridinidae, Mycetopodidae, Anodonta, Sinanodonta)
- Crayfish (Astacidae, Cambaridae, Cambaroididae, Parastacidae) except red swamp and white river
- Penaeid shrimps (Penaeidae)
- Freshwater and marine invertebrates not in aquaria or tank

## **ENDANGERED, THREATENED, RARE SPECIES**

Mammals:

- Rafinesque's Big-eared Bat (rare)
- Gray Bat (endangered)
- Indiana Bat (endangered)
- North Atlantic Right Whale (endangered)
- Humpback Whale (endangered)
- Southeastern Pocket Gopher (threatened)
- Round-tailed Muskrat (threatened)
- Florida Panther (endangered)
- Appalachian Cottontail (rare)
- West Indian Manatee (endangered)

Birds:

- Bachman's Sparrow (rare)
- Henslow's Sparrow (rare)
- Red Knot (rare)
- Ivory-billed Woodpecker (endangered)
- Piping Plover (threatened)
- Wilson's Plover (threatened)
- Common Raven (rare)
- Cerulean Warbler (rare)
- Kirtland's Warbler (endangered)
- Swallow-tailed Kite (rare)
- Peregrine Falcon (rare)
- Southeastern Kestrel (rare)
- American Oystercatcher (rare)
- Bald Eagle (threatened)
- Wood Stork (endangered)
- Red-cockaded Woodpecker (endangered)
- Black Skimmer (rare)
- Least Tern (rare)
- Gull-billed Tern (threatened)
- Golden-winged Warbler (endangered)

#### Reptiles:

- Loggerhead Sea Turtle (endangered)
- Green Sea Turtle (threatened)
- Spotted Turtle (unusual)
- Leatherback Sea Turtle (endangered)
- Hawksbill Sea Turtle (endangered)
- Bog Turtle (endangered)
- Gopher Tortoise (threatened)
- Barbour's Map Turtle (threatened)
- Common Map Turtle (rare)
- Alabama Map Turtle (rare)
- Kemp's Ridley Sea Turtle (endangered)
- Alligator Snapping Turtle (threatened)
- Eastern Indigo Snake (threatened)
- Southern Hognose Snake (threatened)
- Diamondback Terrapin (unusual)
- Mimic Glass Lizard (rare)

#### Amphibians:

- Flatwoods Salamander (threatened)
- One-toed Amphiuma (rare)
- Green Salamander (rare)
- Hellbender (threatened)
- Tennessee Cave Salamander (threatened)

- Georgia Blind Salamander (threatened)
- Striped Newt (threatened)
- Pigeon Mountain Salamander (rare)
- Gopher Frog (rare)

Fish:

- Shortnose Sturgeon (endangered)
- Alabama Shad (threatened)
- Spotted Bullhead (rare)
- Blue Shiner (endangered)
- Bluestripe Shiner (rare)
- Altamaha Shiner (threatened)
- Bluebarred Pygmy Sunfish (endangered)
- Blackbanded Sunfish (endangered)
- Blotched Chub (endangered)
- Holiday Darter (endangered)
- Greenfin Darter (threatened)
- Lipstick Darter (endangered)
- Coldwater Darter (endangered)
- Black Darter (rare)
- Etowah Darter (endangered)
- Goldstripe Darter (rare)
- Rock Darter (rare)
- Cherokee Darter (threatened)
- Tallapoosa Darter (rare)
- Trispot Darter (endangered)
- Wounded Darter (endangered)
- Stippled Studfish (endangered)
- Northern Studfish (rare)
- Flame Chub (endangered)
- Lined Chub (rare)
- Ohio Lamprey (rare)
- Bluefin Killifish (rare)
- Coosa Chub (endangered)
- Suwannee Bass (rare)
- River Redhorse (rare)
- Robust Redhorse (endangered)
- Sicklefin Redhorse (endangered)
- Popeye Shiner (endangered)
- Burrhead Shiner (threatened)
- Highscale Shiner (rare)
- Silver Shiner (endangered)
- Sandbar Shiner (rare)
- Mountain Madtom (endangered)
- Frecklebelly Madtom (endangered)
- Amber Darter (endangered)
- Tangerine Darter (endangered)

- Goldline Darter (endangered)
- Conasauga Logperch (endangered)
- Freckled Darter (endangered)
- Dusky Darter (rare)
- River Darter (endangered)
- Halloween Darter (threatened)
- Muscadine Darter (rare)
- Upland Bridled Darter (endangered)
- Olive Darter (endangered)
- Snail Darter (endangered)
- Fatlips Minnow (endangered)
- Stargazing Minnow (threatened)
- Tennessee Dace (endangered)
- Broadstripe Shiner (rare)
- Bluenose Shiner (threatened)
- Southern Cavefish (endangered)

#### Mussels:

- Altamaha Arcmussel (threatened)
- Southern Elktoe (endangered)
- Fat Threeridge (endangered)
- Apalachicola Floater (rare)
- Rayed Creekshell (threatened)
- Alabama Spike (endangered)
- Delicate Spike (endangered)
- Inflated Spike (threatened)
- Altamaha Spiny mussel (endangered)
- Purple Bankclimber (threatened)
- Upland Combshell (endangered)
- Southern Acornshell (endangered)
- Atlantic Pigtoe (endangered)
- Fine - lined Pocketbook (threatened)
- Shinyrayed Pocketbook (endangered)
- Alabama Moccasinshell (threatened)
- Coosa Moccasinshell (endangered)
- Gulf Moccasinshell (endangered)
- Ochlockonee Moccasinshell (endangered)
- Southern Clubshell (endangered)
- Southern Pigtoe (endangered)
- Georgia Pigtoe (endangered)
- Oval Pigtoe (endangered)
- Triangular Kidneyshell (endangered)
- Alabama Creekmussel (endangered)
- Southern Creekmussel (endangered)
- Savannah Lilliput (threatened)

## Crayfish:

- Coosawattee Crayfish (endangered)
- Dougherty Plain Cave Crayfish (threatened)
- Conasauga Blue Burrower (endangered)
- Dougherty Burrowing Crayfish (endangered)
- Tallapoosa Crayfish (rare)
- Chickamauga Crayfish (threatened)
- Etowah Crayfish (threatened)
- Little Tennessee Crayfish (endangered)
- Piedmont Blue Burrower (endangered)
- Chattahoochee Crayfish (threatened)
- Hiwassee Headwaters Crayfish (endangered)
- Chattooga River Crayfish (threatened)
- Beautiful Crayfish (endangered)
- Lean Crayfish (threatened)
- Oconee Burrowing Crayfish (threatened)
- Blackbarred Crayfish (threatened)
- Broad River Burrowing Crayfish (threatened)
- Muckalee Crayfish (threatened)
- Grainy Crayfish (rare)
- Sly Crayfish (rare)

## Insects:

- Say's Spiketail (threatened)
- Cherokee Clubtail (threatened)
- Edmund's Snaketail (endangered)

## Snails:

- Interrupted Rocksnail (endangered)
