

ILLINOIS APPROVED AQUATIC LIST

UAPPEAL

APPROVED AQUATIC LIFE SPECIES

Amphipods:

- *Pontoporeia hoyi*
- *Hyalella Azteca*
- *Baetrrurus brachycaudus*
- *Baetrrurus mucronatus*
- *Crangonyx forbesi*
- *Crangonyx gracilis*
- *Crangonyx minor*
- *Crangonyx pseudogracilis*
- *Crangonyx richmondensis*
- *Gammarus fasciatus*
- *Gammarus minus*
- *Gammarus pseudolimnaeus*
- *Gammarus troglophilus*
- *Synurella bifurca*
- *Synurella dentata*

Isopods:

- *Asellus intermedius*
- *Caecidotea beattyi*
- *Caecidotea bicrenate*
- *Caecidotea brevicauda*
- *Caecidotea forbesi*
- *Caecidotea intermedius*
- *Caecidotea kendeighi*
- *Caecidotea packardi*
- *Caecidotea stygia*

Crustaceans (rest):

- Glass shrimp
- Giant Malaysian prawn
- Crayfish: White river, papershell, Northern, devil

Mussels:

- Three-ridge
- Wabash Pigtoe
- Monkeyface
- Wartyback
- Pimpleback
- Mapleleaf
- Buckhorn
- Washboard
- Elktoe
- Common Floater
- Paper Pondshell
- Flat Floater
- Cylindrical Papershell
- Rock Pocketbook
- White Heelsplitter
- Fluted Shell
- Squawfoot
- Mucket
- Fatmucket
- Yellow Sandshell
- Plain Pocketbook
- Fragile Papershell
- Common Pondmussel
- Hickorynut
- Creek Heelsplitter
- Pink Heelsplitter
- Pink Papershell
- Lilliput
- Fawnsfoot
- Deertoe
- Three-horned Wartyback
- Long Fingernail Clam
- Striated Fingernail Clam
- Pondhorn Mussel

Snails:

- Valvata: two-ridge, purplecap, mossy
- Mystery snail: banded, rotund, olive
- Campeloma: ponderous, pointed
- Furrowed lioplax
- Faucet snail
- Probythinella lacustris
- Pebblesnail: sandbar, coldwater
- Midland siltsnail
- Moss pyrg
- Amnicola: Hoosier, mud
- Lake duskysnail

- Walker: brown, slender
- *Elmia costifera*
- River snail: mainstream, armigerous
- Rocksnail: varicose, Shawnee
- Hornsnail: sharp (ssp. *acuta*, *hinkleyi*, *lewisi*), rugged, channeled (ssp. *caniculatum*, *undulatum*)
- Spindle lymnaea
- *Fossaria* (ssp. *dalli*, *exigua*, *obrusa*, *parva*, *rustica*, *tazewelliana*)
- Pond snail: great (ssp. *appressa*), marsh, flat-whorled, calabash, coldwater
- American ribbed fluke snail
- Wrinkled marshsnail
- Physa: tadpole, pewter (ssp. *halei*, *pomila*), ashy (ssp. *integra*)
- Bladder snail (*Physella virgata* *anatina*)
- Lance apex morph
- Flexed gyro
- Sprite: bugle, Sampson
- Rams-horn: Bellmouth (ssp. *campanulate*), marsh, marsh (ssp. *trivolis*), druid
- *Rhoclacmea hinkleyi*
- *Ferrisia fragilis*
- Oblong ancylid
- *Lavevortex diaphanous*

Fish:

- Chestnut, silver and American brook lampreys
- Shovelnose sturgeon
- Paddlefish
- Gar: spotted, longnose and shortnose
- Bowfin
- American eel
- Alabama shad
- Skipjack herring
- Alewife
- Gizzard and threadfin shad
- Goldeye and mooneye
- Bloater
- Round whitefish
- Trout: brook, lake, brown, and rainbow (special requirements)
- Salmon: Coho and chinook (special requirements)
- Rainbow smelt
- Central mudminnow
- Grass pickerel
- Northern pike
- Muskellunge and tiger muskellunge
- Goldfish
- Common carp
- Shiner: bigmouth, common, emerald, ghost, golden, mimic, red, redbin, ribbon, river, rosyface, sand, silverband, spotfin, spottail, steelcolor and striped
- Chub: creek, lake, hornyhead, speckled and silver

- Dace: blacknose, longnose and Southern redbelly
- Minnow: bluntnose, bullhead, fathead, silverjaw, silvery and suckermouth
- Central stoneroller
