

UTAH ZOOLOGICAL ANIMALS

SPECIES NOT COVERED:

- Alpaca
- Ass or donkey
- American bison, privately owned
- Camel – Bactrian and dromedary
- Cassowary (Casuarius)
- Cat – domestic including TICA Preliminary New, Advanced New, Non-championship, and Championship Breeds
- Cattle – domestic Taurine
- Chicken – red junglefowl
- Chinchilla – long-tailed
- Dog – domestic including hybrids with wild ones
- Ducks - distinguishable morphologically from wild (Anatidae)
- Elk, privately owned
- Emu
- Ferret – European
- Fowl (guinea) - helmeted
- Fox - privately owned, domestically bred and raised
- Geese - distinguishable morphologically
- Gerbil – Mongolian
- Goat - domestic
- Hamster (Mesocricetus)
- Hedgehog (white bellied) – four-toed
- Horse
- Llama
- American Mink - privately owned, ranch-raised
- Mouse, house
- Mule and hinny
- Ostrich
- Peafowl - Indian
- Pig, guinea
- Pigeon
- Rabbit, European
- Rats, Norway and Black
- Rhea, Greater
- Sheep - domestic
- Sugar glider
- Swine, domestic
- Tenrec (Tenrecidae)

- Turkey - privately owned, pen-raised domestic varieties (imprinted on humans or other poultry and no morphological characteristics of wild)
- Water buffalo
- Yak
- Zebu

NONCONTROLLED, CONTROLLED & PROHIBITED - COLLECTION, IMPORT & POSSESSION

- Birds:
 - Noncontrolled for all:
 - Penguins
 - Megapodes (Megapodiidae)
 - Coturnix quail (Coturnix)
 - Buttonquails (Turnicidae)
 - Turacos including plantain eaters and go-away-birds (Musophagidae)
 - Pigeons and Doves not native to North America (Columbidae)
 - Parrots not native to NA (Psittacidae)
 - Rollers (Coraciidae)
 - Motmots (Momotidae)
 - Hornbills (Bucerotidae)
 - Barbets not native to NA (Capitoninae)
 - Toucans not native to NA (Rhamphastidae)
 - Broadbills (Eurylaimidae)
 - Cotingas (Cotingidae)
 - Honeyeaters (Meliphagidae)
 - Leafbirds and Fairy-bluebirds (Irena, Chloropsis and Aegithina)
 - Babblers (Timaliidae)
 - White-eyes (Zosteropidae)
 - Sunbirds (Nectariniidae)
 - Sugarbirds (Promeropidae)
 - Weaver finches (Ploceidae)
 - Estrildid finches (Estrildidae)
 - Vidua finches (Viduidae)
 - Finches and Canaries not native to NA (Fringillidae)
 - Tanagers not native to NA (Thraupidae)
 - Icterids not native to NA except Central and South American cowbirds (Icteridae)
 - Prohibited for all:
 - Ocellated turkey
 - Mixed:
 - Cowbirds (Molothrus) – controlled import/noncontrolled collect & possess
 - European Starling – controlled import/noncontrolled collect & possess
 - House (English) Sparrow – controlled import/noncontrolled collect & possess
 - Domestic Pigeon – controlled import/noncontrolled collect & possess
 - Unlisted birds NOT CITES I or II – prohibited collection/controlled import & possess
 - Unlisted birds in CITES II – prohibited collection/controlled import & possess
 - Unlisted birds in CITES I – prohibited collection & import/Controlled possession
- Crustaceans:
 - Controlled for all:

- Unlisted native species except ornamental aquatic
 - Prohibited for all:
 - Asiatic crab (Eriocheir)
 - Crayfish (Astacidae, Cambaridae and Parastacidae) except Australian red claw
 - Pilose crayfish
 - Daphnia
 - Fishhook water flea
 - Spiny water flea
 - Utah amphipod
 - Unlisted nonnative species except ornamental aquatic
 - Mixed:
 - Brine shrimp (Mysidae) – controlled collection/noncontrolled import & possess
- Mollusks:
 - Controlled for all:
 - Brian Head mountainsnail
 - Dark falsemussel
 - Deseret mountainsnail
 - Desert springsnail
 - Eureka mountainsnail
 - Fat-whorled pondsnail
 - Fish Lake physa
 - Floater (Anodonta)
 - Glossy valvata
 - Lyrate mountainsnail
 - Springsnails or pyrgs (Prygulopsis)
 - Southern tightcoil
 - Spruce snail
 - Utah physa
 - Wet-rock physa
 - Yavapai mountainsnail
 - Prohibited for all:
 - African snails (Achatinidae)
 - Desert valvata
 - Fish Springs marshsnail
 - Kanab ambersnail
 - New Zealand mudsnail
 - Quagga mussel
 - Red-rimmed melania
 - Thickshell pondsnail
 - Western pearlshell
 - Zebra mussel
 - Unlisted nonnative species except ornamental aquatic

- Fish:
 - Prohibited for all:
 - Carp including hybrids (Cyprinidae) except koi
 - Blue catfish
 - Flathead catfish
 - Giant walking catfish (Heteropneustidae)
 - Labyrinth catfish (Clariidae)
 - Parasitic catfish (Trichomycteridae)
 - Alewife
 - Gizzard shad
 - Killifish (Fundulidae)
 - Pike killifish
 - Bonytail
 - Colorado pikeminnow
 - Creek chub
 - Emerald shiner
 - Humpback chub
 - Least chub
 - Northern leatherside chub
 - Red shiner
 - Redside shiner
 - Roundtail chub
 - Sand shiner
 - Southern leatherside chub
 - Utah chub
 - Virgin River chub
 - Virgin spinedace
 - Woundfin
 - Burbot
 - Bluehead sucker
 - Desert sucker
 - Flannelmouth sucker
 - June sucker
 - Razorback sucker
 - Utah sucker
 - White sucker
 - White perch
 - Cutthroat trout
 - Bowfin (Amiidae)
 - Bull shark
 - Drum, freshwater (Sciaenidae)
 - Gar (Lepidosteidae)
 - Jaguar guapote
 - Lamprey (Petromyzontidae)

- Mexican tetra
 - Mooneye (Hiodontidae)
 - Nile perch
 - Northern pike
 - Piranha (Serrasalmus)
 - Round goby
 - Ruffe
 - Snakehead (Channidae)
 - Stickleback (Gasterosteidae)
 - Stingray, freshwater (Dasyatidae)
 - Swamp eel (Synbranchidae)
 - Tiger fish or guavinus
 - Tilapia (Tilapia and Sarotherodon)
- Mixed:
 - Koi – prohibited collection/noncontrolled import & possess
 - Unlisted ornamental aquatic animal species - prohibited collection/noncontrolled import & possess
 - Unlisted fish not ornamental – prohibited collection/controlled import & possess
- Mammals:
 - Controlled for all:
 - Insectivores
 - Hedgehogs (Erinaceidae) except white-bellied
 - Shrews (Sorex and Notisorex)
 - Pika
 - Beaver
 - Deer mice (Peromyscus)
 - Grasshopper mice (Onychomys)
 - Voles (Microtinae)
 - Western harvest mouse
 - Woodrats (Neotoma)
 - Pocket mice (Perognathus and rock pocket mouse)
 - Dark kangaroo mouse
 - Kangaroo rats (Dipodomys)
 - Gunnison's prairie dog
 - White-tailed prairie dog
 - Yellow-pine chipmunk
 - Northern flying squirrel
 - Yellow-bellied marmot
 - Western jumping mouse
 - Porcupine
 - Idaho pocket gopher

- Prohibited for all:
 - Wallabies, wallaroos and kangaroos (Macropodidae)
 - Bats and flying foxes
 - Abert's squirrel
 - Utah prairie dog – controlled for lethal take
 - Southern flying squirrel
 - Fox squirrel or eastern fox squirrel
 - Degus and other South American rodents (Octodontidae)
 - Dormice (Gliridae and Selevinidae)
 - African pouched rats (Muridae)
 - Jirds (Meriones)
 - Mice (Mus) except house mouse
 - Spiny mice (Acomys)
 - American bison – free-roaming
 - Collared peccary or javelina
 - Axis deer
 - Caribou – free-roaming
 - Elk – free-roaming
 - Fallow deer – free-roaming
 - Moose
 - Mule deer
 - White-tailed deer
 - Rusa deer
 - Sambar deer
 - Sika deer
 - Muskox – free-roaming
 - Pronghorn
 - Barbary sheep or aoudad
 - Bighorn sheep including hybrids
 - Dall's and Stone's sheep including hybrids
 - Exotic wild sheep and hybrids
 - Rocky Mountain goat
 - Ibex
 - Wild boar or pig and hybrids
 - Bears
 - Fennec fox
 - Gray fox
 - Kit fox
 - Red fox (wild-caught) – noncontrolled for lethal take
 - Gray wolf except hybrids
 - Wild Cats (Felidae)
 - Bobcat (wild-caught)
 - Cougar
 - Canada lynx (wild-caught)

- American badger
- Black-footed ferret
- Ermine, stout, or short-tailed weasel
- Long-tailed weasel
- American marten (Wild-caught)
- American mink (except domestic)
- Northern river otter
- Striped skunk – noncontrolled for nuisance collection
- Western spotted skunk
- Wolverine
- Coatis (*Nasua* and *Nasuella*)
- Kinkajou
- Ringtail
- Civets, genets (*Viverridae*)
- Lemurs (*Lemuridae*)
- Dwarf and mouse lemurs (*Cheirogaleidae*)
- Indris and sifakas (*Indriidae*)
- Aye aye
- Bush babies, pottos and lorises (*Lorisidae*)
- Tarsiers (*Tarsiidae*)
- New World monkeys (*Cebidae*)
- Marmosets and tamarins (*Callitrichidae*)
- Old-world monkeys (*Cercopithecidae*)
- Great apes (*Hominidae*)
- Lesser apes (*Hylobatidae*)
- Mixed:
 - Monotremes (*Ornithorhynchidae* and *Tachyglossidae*) – prohibited collection/controlled import & possess
 - Virginia opossum – noncontrolled collection/prohibited import/controlled possess
 - Anteaters, sloths and armadillos (*Xenartha*) – prohibited collect/controlled import & possess
 - Aardvark – prohibited collect/controlled import & possess
 - Pangolins or scaly anteaters (*Manis*) – prohibited collect & import/controlled possession
 - Tree shrews (*Tupalidae*) - prohibited collect/controlled import & possess
 - Jackrabbits (*Lepus*) – noncontrolled collection/controlled import & possess
 - Cottontails (*Syvilagus*) - prohibited collect/controlled import & possess
 - Pygmy rabbit - prohibited collect/controlled import & possess
 - Snowshoe hare - prohibited collect/controlled import & possess
 - Elephant shrews (*Macroscelididae*) - prohibited collect/controlled import & possess
 - Muskrat – noncontrolled collection/controlled import & possess
 - Nutria – noncontrolled collection/prohibited import/controlled possess

- Pocket gophers (Geomysidae) except Idaho pocket gopher – noncontrolled collect/controlled import & possess
- Black-tailed prairie dog – controlled collect/prohibited import & possess
- Chipmunks (Sciuridae) except yellow-pine chipmunk – noncontrolled collect/controlled import & possess
- Ground, rock and antelope squirrels (Sciuridae) – controlled for all except noncontrolled collection for nuisance
- Red squirrel - controlled for all except noncontrolled collection for nuisance
- Hyraxes (Procaviidae) – prohibited collection/controlled import & possess
- Caribou, captive-bred – prohibited collection/controlled import & possess
- Fallow deer, captive-bred – prohibited collection/controlled import & possess
- Muskox, captive-bred – prohibited collection/controlled import & possess
- Coyote – prohibited import/controlled by Agriculture for collect & possess
- Bobcat (captive-bred) – prohibited collect/controlled import & possess
- Canada lynx (captive-bred) - prohibited collect/controlled import & possess
- American marten (captive-bred) - prohibited collect/controlled import & possess
- Northern Raccoon – prohibited import/controlled by Agriculture for collect & possess
- Unlisted mammals not in CITES I or II – prohibited collection/controlled import & possess
- Unlisted mammals in CITES I – prohibited collection & import/controlled possess
- Unlisted mammals in CITES II – prohibited collection/controlled import & possess
