

SALES

GARDEN CENTER ASSOCIATE

This individual plays an integral role in assisting customers with selection and purchasing of shrubs, trees, perennials and annual flowers. This position requires physical strength, attention to detail, and excellent communication skills to confirm customer landscape needs and completing sales.

This individual is responsible for the daily cleanliness and upkeep of the designated retail areas and will assist with merchandising of products, signage placement, organizing and condensing of inventory, and ensuring that products are easily accessible, and the area is free from hazards.

While the main focus of this individual is on assisting customer with plant selection, sales and taking care of surrounding areas, they must be comfortable and proficient with the cash register, ready to assist customers in completing their merchandise purchase.

Depending on daily deliveries, weather, and other needs, these responsibilities are subject to change to prioritize assisting with other daily needs.

Position: Seasonal/Temporary between May to October

Salary: \$16-\$19/hr experience dependent
