

## CASHIER

## GARDEN CENTER ASSOCIATE

This individual will handle both cash and credit card transactions of merchandise sales using garden center specific POS system. This position requires attention to detail and excellent communication skills. Beyond cashiering duties, this position must excel in facilitating retail sales and offering exceptional customer service which includes answering phone calls, directing calls, taking messages, and scheduling appointments.

This individual plays an active part in maintaining an organized and clean sales floor. While the main focus of this individual is to complete sales, they must be comfortable and proficient with watering, pruning, and arrangement of plants.

Depending on daily deliveries, weather, and other needs, these responsibilities are subject to change to prioritize assisting with other daily needs.

**Position:** Seasonal/Temporary between May to October & December

**Salary:** \$16-\$19/hr experience dependent
