

Objective: To familiarize students with horticulture along with the history of Kernersville, history of advertising, beginning of Children’s Theatre, background of “The Strangest House in the World”, and life in the 1880’s including family life, school life, & modes of travel.

Build your own class field trip from the following:

Puppet Show – Kórner’s Folly

- Students will watch a puppet show to learn more about the architect who built the Folly and his family.
- Age: 1st grade & older

Reader’s Theatre – Kórner’s Folly

- Students each take a part as a Kórner family member and ‘teach’ the other students about their history in Kernersville. All students have an assigned part and script.
- Age: 3rd grade & older

Tour of Kórner’s Folly

- Students will be able to tour a home built in the 1880’s to gain a better understanding of how life differed many years ago.
- They will be given specific objects to ‘find’ as they tour the house.
- Age: 1st grade & older

For all Korner’s Folly activities contact:
www.kornersfolly.org (336-996-7922)

1880 School Day at 1870’s One Room Schoolhouse

- Students will have a typical lesson with all ages in one room – approx 30 min
- Recess will consist of period games in school yard – approx 30 min.
- Age: 1st grade & older
- Contact kjhittell@gmail.com (336-399-3643)

Pre-Civil War Black Graveyard

- Located behind the Stafford House & beside Cagney’s Restaurant
- Learn about those buried here & the efforts to keep it restored
- Age: 1st grade & older
- Contact hgaugler@msn.com (336-497-4073)

Kernersville Museum

- 1880 Bellamy House
- Visit current displays
- Visit restored tobacco barn
- Age: 1st grade & older
- Contact www.kernersvillemuseum.org (336-497-4869)

Kernersville’s 1873 Depot

- Traveling in History
- Model Trains and more!
- Age: 1st grade & older
- Contact www.kernersvillemuseum.org (336-497-4869)

Paul J. Ciener Botanical Garden

- Tour any or all garden spaces (Pattern Garden, Kitchen Garden, Xeric Scree garden beds, etc.)
- Many potential topics to teach from – e.g., growing vegetables, where does our food come from, germinating seeds, etc.
- Contact www.cienerbotanicalgarden.org (336-996-7888)

Fees may be associated with some sites.
