Legendary Harlem Globetrotter Michael Douglas is available to visit your school, church or organization. He will present a dynamic program that is both educational and entertaining.

Mr. Douglas and the Harlem Legends Basketball Entertainers appear at over 100 schools each year. This Legend will serve as host to our motivational forums to inspire and motivate your students.

The program can be scheduled at the conclusion of a big event or activity or to congratulate students for a job well done. It can also be scheduled at the beginning of the big state test to encourage students to perform at their very best.

During the program, Mr. Douglas will tell the Harlem Globetrotters story and highlight ways in which your campers too can achieve their dreams. He will also demonstrate his globetrotter magic, answer questions, take photographs and sign autographs.

Prizes will be awarded to selected participants from the audience.

Your students and staff will have a unique form of inspiration, entertainment and a golden opportunity to meet and greet a legendary member of the Harlem Globetrotters.

Contact us now to schedule this legend at your school, church or special event.
