The Cookie Jar Complot stands to be Luxembourg's foremost instrumental Post- and Math-rock band. With appearances at the biggest live festivals, including but not limited to USINA, Congés Annulés x4, Out of the Crowd, Fête de la Musique Dudelange, and having supported bands such as Karnivool (AUS), standards (US), Poly-Math (UK), Trupa Trupa (PL), A Burial at Sea (IRE) and FES (UK), TCJC has grown to take headlining spots and being a draw for audiences from the greater region and beyond.
