Child Medical Action Plan

10A NCAC 09 .0801(b) [Centers] and .1721(a)(4) [Family Child Care Homes]

If a child has health care needs that require specialized health services, the child's parent or a health care professional should complete a medical action plan and attach it to the child's application. The plan must be updated annually and stored in the child's file and facility's Ready to Go File. A copy should be kept in the classroom.

Children with asthma, diabetes, seizes, or allergies should have medical action plans specific to those conditions.
