

CITY OF CANYONVILLE
WATER SYSTEM DEVELOPMENT FUND 20
PROPRIETARY FUND

WATER SDC ADMINISTRATION (0 FTE)

Supported by employees in General Fund Administration and the Water Fund

PROPRIETARY FUNDS – Are made up of Enterprise Funds used to account for acquisitions, operations, and maintenance of water and sewer facilities. These funds are entirely or predominantly self-supported through user charges to the customer.

WATER SYSTEM DEVELOPMENT FUND - Accounts for System Development Charges to new construction and hook ups to the water system.

CITY OF CANYONVILLE
BUDGET SUMMARY FOR WATER SYSTEMS DEVELOPMENT CHARGE
FUND # 20

TOTAL REVENUE: **\$252,940.00**

The revenue for this fund comes from new connections to the city's water system based on the size of the meter. The process and methodology for determining a system development charge is governed by state statute. A portion of the fee goes to reimbursement charges and a portion goes to Improvement charges as established by Ordinance.

The City contracted with Dyer Partnership to update the system development fees and adopted the plan and new fees by Resolution No. 639. The charge for a single-family residence has been established at \$3,946.00. The charge for connections of other than single family dwellings is defined in the study and Resolution 639. Based on the new report the reimbursement charge is less than the Improvement fee.

Expenditures from a system development fund are restricted by ORS 223.307. Improvement fees may be spent only on capacity increasing capital improvements. Reimbursement fees may be spent on capital improvements associated with the water system which also includes updating the systems development charges.

This year's budget anticipates system development charges for two single family dwellings.

The anticipated revenues have increased by \$4,000.00 in the Interest Earned line.

MATERIAL AND SERVICES: **\$252,940.00**

The system reimbursement and system improvement for Revenue and Expenses have separate lines items. Since the funds can only be used for specific uses, this enables the City to track what is available more easily.

Legal Services 20-10-62410: This year I have added \$3,612.00 from the interest account to this line item. Each year a little should be placed in this line item so that we will have sufficient money for any legal questions regarding SDC.

Water System Reimbursement 20-10-63550: A total of \$86,014.00 has been accumulated for allowable reimbursement projects.

Water System Improvements 20-10-63555: A total of \$116,673.00 has been accumulated for future improvements to the water.

O'Shea Creek Development: The \$16,641.00 amount remains the same as last year. There is no identified project.

Engineering 20-10-64862: This year \$30,000.00 has been budgeted for engineering fees. Any expansion to the City's water system will require engineering services.

TOTAL EXPENSES **\$252,940.00**

CITY OF CANYONVILLE WASTE WATER SYSTEM DEVELOPMENT FUND 21

PROPRIETARY FUND

SEWER SDC ADMINISTRATION (0 FTE)

Supported by employees in General Fund Administration and the Sewer Fund

PROPRIETARY FUNDS – Are made up of Enterprise Funds used to account for acquisitions, operations, and maintenance of water and sewer facilities. These funds are entirely or predominantly self-supported through user charges to the customer.

WATER SYSTEM DEVELOPMENT FUND - Accounts for System Development Charges to new construction and hook ups to the sewer system.

CITY OF CANYONVILLE
BUDGET SUMMARY FOR WASTEWATER SYSTEMS DEVELOPMENT CHARGE
FUND # 21

TOTAL REVENUE: **\$631,250.00**

The revenue for this fund comes from new connections to the city's wastewater system based on equivalent residential units which have been established by engineers. The process and methodology for determining a system development charge is governed by state statute. A portion of the fee goes to reimbursement charges and a portion goes to improvement charges as established by Ordinance.

The City contracted with Dyer Partnership to update the system development fees and adopted the plan and new fees by Resolution No. 639. The charge for a single-family residence has been established at \$5,394.00. The charge for connections other than single family dwellings is defined in the study and Resolution No. 639. Based on the new report the reimbursement charge is less than the Improvement fee.

Expenditures from a system development fund are restricted by ORS 223.307. The improvement fee was based solely on the Phase II upgrade project, and the reimbursement fee was based on all other components and incurred costs associated with the City's treatment and collection system. Improvement fees may be spent only on capacity increasing capital improvements, and reimbursement fees may be spent on capital improvements associated with the sewer system.

This year's budget anticipates system development charges for two single family dwellings.

SDC Reimbursement charges 21-00-46305: This line item has stayed the same as this fiscal year.

SDC Improvement charges 21-00-46315: This line item has stayed the same as this fiscal year.

Interest Earned 21-00-45000: Revenue from Interest earned has increased by \$6,000.00 due to the interest rate increase.

MATERIAL AND SERVICES: **\$113,265.00**

Engineering 21-10-64862: A total of \$109,634.00 has been accumulated in this line item to help pay for the engineering on future collections work.

Legal 21-10-62410: This year I have added this line item to have sufficient money for any legal questions regarding SDC. I have budgeted \$3,631.00 from the interest account to this line.

CAPITAL OUTLAY: **\$517,985.00**

The system reimbursement and system improvement for Revenue and Expenses have separate lines items. Since the funds can only be used for specific uses, this enables the City to track what is available more easily.

Wastewater System Reimbursement 21-10-66305: A total of \$454,254.00 is available for eligible reimbursement projects.

Wastewater System Improvements 21-10-66316: A total of \$63,731.00 is available for eligible improvement projects.

CITY OF CANYONVILLE

CAPITAL RESERVE STREET FUND 25

PROPRIETARY FUND

CAPITAL RESERVE STREET FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

PROPRIETARY FUNDS – Are made up of Enterprise Funds used to account for maintenance of the City roadways. This fund was established to save money for large street improvement projects and to track any Small City Allotment Grant Funds.

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR CAPITAL RESERVE STREET
FUND # 25**

This fund was established to save money for the street department for large paving projects. In the past the City has received grant money from the Small City Allotment Fund. The Small City Allotment fund is through the Oregon Department of Transportation and funds are allotted on a competitive basis. The maximum grant amount is \$100,000.00 so most paving projects require additional money from the City. By establishing a Street Capital Reserve Fund specifically to be used for paving we are ensuring that the money will not be spent on daily operations.

TOTAL REVENUE: **\$459,042.00**

SCA Grant fund: 25-00-44960: This line item was added to account for any paving grants. Paving projects were previously tracked out of the operating account and this capital account was set up as a savings account for future projects. We will not be applying for a street grant until the Bridge repair project is complete.

Bridge Grant fund: 25-00-44980: The city has been awarded a grant for the Hamlin Street bridge repair in the amount of \$171,075.00.

Transfer from Street Fund: \$84,967.00 is being transferred from the Street Fund 02 for paving project.

Interest Earned: The City splits the bank interest between all the funds, and it is anticipated that this fund will receive \$3,000.00 in interest.

CAPITAL OUTLAY: **\$459,042.00**

Street paving project: There is a total of \$209,042.00 available for street paving. We will continue to save money on this line item until we have enough money to complete another paving project.

Engineering Services: \$50,000.00 has been added to this line item that was created to account for the cost of engineering a street project. Most large street projects require engineering especially if they are combined with grant money.

SCA paving project 25-10-66040: This line item was created so we can track our SCA grant street paving projects separately from projects that do not include grant money. Until the Bridge repair project is complete, we cannot apply for a grant for a street project.

Bridge Repair Project 25-10-66050: Every year the bridges on Hamlin Drive and South Main are inspected. A report has been given to the City on any repair issues that need to be addressed. We are budgeting for the repair of the Hamlin Drive Bridge in the Fiscal Year 2023-2024. The estimated cost of the Hamlin bridge repair is \$171,075.00. We are budgeting \$200,000.00 for the Bridge Project to cover any unforeseen expenditure during construction.

CITY OF CANYONVILLE CAPITAL RESERVE WATER FUND 26

PROPRIETARY FUND

CAPITAL RESERVE WATER FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

PROPRIETARY FUNDS – Are made up of Enterprise Funds used to account for acquisitions, operations, and maintenance of water and sewer facilities. These funds are entirely or predominantly self-supported through user charges to the customer.

CAPITAL RESERVE WATER - This fund is for accumulating revenue transferred from the Water Fund for future capital projects. A new line item (26-03-66800) was added for capital improvement to separate money from the existing water line rehabilitation line (26-10-66666).

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR CAPITAL RESERVE WATER FUND #26**

The City's Water Treatment Plant was constructed in 1978 and has already exceeded its 20 year life expectancy. Although the plant continues to meet all the required health regulations it will need to be upgraded soon. The water master plan has identified \$5,300,000.00 worth of improvements that are needed for the treatment plant and distribution system.

TOTAL REVENUE: **\$840,860.00**

The purpose of this fund is for the City to save money to upgrade and improve the Water Treatment Facility and distribution lines in the future. The goal is to transfer money on a yearly basis so there will be sufficient funds for large capital improvements.

Late Fee transfer 26-00-44675: Council adopted Resolution 615 which directs half of the late fees to be transferred from the Water Fund. This year we are transferring \$5,000.00 to this fund.

Water transfer 26-00-44974: This budget year we are able to transfer \$78,860.00 from the Water Fund. The amount being transferred has **increased** by \$27,960.00 from last year's budget.

Dam Bond Fund transfer 26-00-44978: Last budget year the City closed out the Dam Bond fund and transferred all the money from the Water Capital Improvement Fund. The fund is closed and there will be no additional transfers from that fund.

MATERIALS AND SERVICES: **\$107,500.00**

Water Line Rehabilitation 26-10-66666: No projects have been identified. This is for emergency situations.

CAPITAL OUTLAY: **\$733,360.00**

Capital Improvement 26-10-66800: Phase 1 improvements that were identified in the water facility plan total \$5.3 million. These improvements do not have to be done immediately but we need to begin saving. It is harder to obtain grants for water than it is wastewater.

TOTAL EXPENSES **\$840,860.00**

CITY OF CANYONVILLE CAPITAL RESERVE SEWER FUND 27

PROPRIETARY FUND

CAPITAL RESERVE SEWER FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

PROPRIETARY FUNDS – Are made up of Enterprise Funds used to account for acquisitions, operations, and maintenance of water and sewer facilities. These funds are entirely or predominantly self-supported through user charges to the customer.

CAPITAL RESERVE SEWER - This fund is for accumulating revenue transferred from the Sewer Fund for future capital projects. A new line item was added, Capital Improvement (27-03-66800). Money was moved from future reserve to this line item for more flexibility.

CITY OF CANYONVILLE
BUDGET SUMMARY FOR CAPITAL RESERVE WASTEWATER FUND #27

TOTAL REVENUE: **\$2,728,000.00**

The revenue that can be transferred to the Capital fund has decreased significantly because the City has completed the wastewater plant upgrade and must now repay the loans. After the City makes the loan payments there is only around \$100,000.00 that can be transferred to this account.

Transfer from sewer fund 07-00-44975: This year we were only able to transfer \$96,000.00 to the capital improvement fund.

CAPITAL OUTLAY: **\$2,728,000.00**

Engineering – 27-10-64862: A total of \$70,000.00 has been budgeted for the engineering line item.

Sewer Line Rehabilitation 27-10-66666: This line item has been **increased** by \$76,500.00 in order to save more money for collections work. We have several underwater crossings which will possibly need replacing in the new future.

Capital Improvement 27-10-66800: A total of \$1,751,500.00 has been accumulated for improvements not included in the sewer upgrade and collection work.

TRANSFERS: **\$ 0.00**

Transfer to Debt Reserve 27-10-69182: There are no transfers budgeted this year. The Debt fund transfers will come directly from the sewer fund.

TOTAL EXPENSES **\$2,728,000.00**

O'SHEA CREEK TIMBER FUND - This fund accounts for the operation of the O'Shea Creek watershed timber.

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR O'SHEA CREEK TIMBER FUND #29**

The city logged the O'Shea Creek area in 2001 and reforested the area as required by Forest Practices Act in 2002. The 2002 planting was unsuccessful, so the area was replanted in 2006 which was also unsuccessful. After consultation with Oregon Dept. of Forestry the area was replanted again in 2008. The city is hopeful that the 2008 reforestation will bring the O'Shea Creek Watershed into compliance. Funds have been reserved in this account for another reforestation if necessary.

TOTAL REVENUE: **\$127,000.00**

Interest in the amount of \$3,000.00 is the only new revenue being added to this account.

MATERIAL AND SERVICES:

Reforestation 29-10-63601: This money is being reserved in case the city is required to plant the trees again.

TOTAL EXPENSES **\$127,000.00**

CITY OF CANYONVILLE
FACILITY RESERVE FUND 30
SPECIAL REVENUE FUND

FACILITY RESERVE FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

SPECIAL REVENUE FUNDS – Are used to account for specific revenues that are restricted to expenditures for particular purposes.

FACILITY RESERVE FUND – Was established by Resolution No. 486 in 4-17-06 & Resolution No. 512 on 4-16-07 and accounts for revenue and expenditures related to the maintenance and repair of city buildings. The Facilities Reserve Fund was created in fiscal year (2006-2007) to provide for the repair, maintenance and improvements to the City Hall building that houses the City Hall Administrative Offices, Public Works Superintendent Office, Canyonville Community Library, Council Chambers, (2) Public Works Shops, weight room, and second and third floors of archival and unutilized space.

This reserve fund was set-up like the equipment replacement fund to pool money for repairs, maintenance, and improvements as the funds alone could not consolidate enough money to make needed repairs.

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR FACILITY RESERVE FUND #30**

TOTAL REVENUE: **\$695,825.00**

The purpose of this fund is for the city to save money to repair city facilities and buildings in the future. With the limited revenue, available for the upkeep and repair of city buildings it is advisable to begin saving for necessary repairs. The goal is to transfer money for each of the departments on a yearly basis so there will be sufficient funds when required. The following transfers are being made from each fund:

Transfer General Fund 30-00-44971:	\$ 35,000.00
Transfer General Fund 30-00-44971(Park):	\$ 18,000.00
Transfer Water Fund 30-00-44974	\$ 0.00

MATERIAL AND SERVICES: **\$ 5,000.00**

Repairs and Maintenance 30-10-64312: A total of \$5,000.00 has been appropriated for general repairs to City Hall Buildings.

CAPITAL OUTLAY: **\$690,825.00**

Improvements-City Hall Building 30-10-66021: A total of \$530,282.00 has been accumulated for future improvements to City Hall. The Seventh Day Adventists were going to donate work for façade improvements to City Hall. It does not appear that they are going to move forward with that project. Money is being accumulated in this fund so the City can proceed with façade improvements. Two projects have been identified for this year, putting gutters on the back side of the building and painting the backside to match the rest of City Hall. Any request for funds would be approved by the City Council.

Improvements-Parks Building 30-10-66030: A total of \$87,698.00 has been accumulated there is some repair work that needs to be done to the stage building and the stage itself.

Water Treatment Facility 30-10-66045: A total of \$50,280.00 has been accumulated for future improvements to the Water Plant. Last fiscal year a heating system was installed in the building which cost \$16,100.00.

Sewer Treatment Facility 30-10-66050: A total of \$22,565.00 has been accumulated for future improvements to the Sewer Plant.

TOTAL EXPENSES **\$695,825.00**

CITY OF CANYONVILLE
RURAL DEVELOPMENT FUND
34
PHASE 2 CONSTRUCTION
SPECIAL REVENUE FUND

**RURAL DEVELOPMENT LOAN/GRANT FUND
ADMINISTRATION (0 FTE)**
Supported by employees in General Fund Administration

SPECIAL REVENUE FUNDS – Are used to account for specific revenues that are restricted to expenditures for particular purposes.

RURAL DEVELOPMENT LOAN/GRANT FUND – This Fund will be closed once all the activity is gone.

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR RURAL DEVELOPMENT LOAN FUND #34**

Work began on the sewer plant upgrade in May 2019 and the project has been completed. Rural Development requires the City to expend their share of the expenses plus all the loan amount before utilizing the grant money. On March 25, 2021, the loan portion of the project was closed out so the City could take advantage of the lower interest rate of 1.25%. This saved the City \$40,000.00 a year in interest.

The remaining grant funds have all been spent and there will be no more activity in this fund.

TOTAL REVENUE: \$ 0.00

Loan Revenue 34-00-46181: This is the amount of revenue left from the grant money.

RD Loan for DEQ interim repay 34-00-46185: This line item was added fiscal year 20-21 to provide a record of receiving the Rural Development Grant money and utilizing it to pay the DEQ interim loan. No money will ever be budgeted here again.

MATERIAL AND SERVICES: \$ 0.00

CONTINGENCY:

Operating Contingency 34-10-65010: \$ 0.00

DEBT SERVICE:

RD Loan Payment to DEQ Interim Loan 34-10-68145: \$ 0.00

This line was added this fiscal year due to the Phase II sewer project being closed out on March 15, 2021. The DEQ Interim Loan has been paid in full in fiscal year 2020-2021.

TOTAL EXPENSES \$ 0.00

THIS FUND WILL GO AWAY AFTER THE 3 YEAR HISTORY EXPIRES

CDBG LOAN FUND 36
CANYON CREEK RESTORATION
SPECIAL REVENUE FUND

CANYON CREEK RESTORATION ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

The City of Canyonville obtained a Drinking Water Source Protection grant for \$30,000.00 from Business Oregon on behalf of the Partnership for the Umpqua River organization. This grant was only available to Cities, so we agreed to apply for the grant and run the expenses through the City's budget. The City is not obligated to the expenditure of any city funds under this grant. A contract was developed between The Partnership and the City which outlines the responsibilities and tasks that must be completed by the Partnership. This Fund will be closed once all the activity is gone.

CITY OF CANYONVILLE

USDA BOND DEBT FUND 38

DEBT SERVICE FUND

USDA BOND DEBT FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

DEBT SERVICE FUND – Record the accumulation of resources and payment of principal and interest on general long-term obligations.

USDA BOND DEBT FUND - The City of Canyonville obtained a Rural Development Loan for \$6,540,000.00 and \$500,000.00. Rural Development sold bonds to the United States of America on behalf of the City for the loan amounts. The City was able to close the loan out early and take advantage of a lower interest rate of 1.25%. This will save the City \$40,000.00 a year in payments. Over the 40 year life of this loan it will amount to a savings of \$1,600,000.00. Because of the low interest rate we have to have an audit done yearly to insure that we are not receiving more interest on this account then we are paying.

CITY OF CANYONVILLE
BUDGET SUMMARY FOR USDA BOND DEBT FUND #38

This is a new fund that was created for the Phase II sewer upgrade Rural Development Loan Bond Debt last year based on the original interest rate of 2.125%. We were able to close this loan out early and take advantage of a lower interest rate of 1.25% which **saved the city \$40,000.00 a year in payments**. Over the 40-year life of this loan it amounted to a savings of **\$1,600,000.00**.

Rural Development sold bonds to the United States of America on behalf of the City in the sum of \$6,540,000.00 and \$500,000.00. The Bond annual payments, Tax-exempt audit cost, and reserves must be accounted for in a separate Fund. Because the interest rate is so low, we must have an audit done yearly to ensure that we are not receiving more interest on this account than we are paying. If we do receive more interest, we are required to pay the excess to the Federal Government. We have contracted with Hawkins Bond Consulting.

TOTAL REVENUE: **\$523,428.00**

Beginning fund balance: The City must keep the beginning fund balance of \$297,640.00 to cover the reserves that are required by the loan agreements.

Transfer- sewer fund 38-00-44975: Transfer \$225,788.00 from sewer fund to cover the loan payments for FY 2022-2023.

DEBT SERVICE: **\$225,788.00**

USDA Loan #1 annual payment 38-10-68100: The annual loan payment of \$208,823.00 is for the first loan USDA Loan of \$6,540,000.00

USDA Loan #2 annual payment (bid overage) 38-10-68110: The annual loan payment of \$15,965.00 is for the second USDA Loan of \$500,000.00.

Annual Tax-Exempt Audit 38-10-68210: This line has been added for the annual tax-exempt audit. We are budgeting \$1,000.00 on it.

RESERVE: **\$297,640.00**

USDA Loan #1 Reserve 38-10-66900: The terms of the first loan require us to keep a reserve of \$208,823.00.

USDA Loan #2 Reserve 38-10-66910: The terms of the second loan also requires us to keep a reserve of \$15,965.00.

10% reserve for loan #1 & 2 38-10-66920: We are also required to keep a reserve of \$22,479.00 which is 10% of both loans.

Short lived Assets 38-10-66930: According to the terms of the loan we must have sufficient revenue to replace short lived assets such as pumps. So, we have this line item budgeted for \$50,373.00. Any money used from this line item must be replaced the next fiscal year.

TOTAL EXPENSES **\$523,428.00**

CITY OF CANYONVILLE

IFA DEBT FUND 39

DEBIT SERVICE FUND

IFA DEBT FUND ADMINISTRATION (0 FTE)
Supported by employees in General Fund Administration

DEBT SERVICE FUND – Record the accumulation of resources and payment of principal and interest on general long-term obligations.

IFA DEBT FUND - The City of Canyonville obtained an IFA Loan for \$1,000,000.00 for Phase II Sewer Plant Upgrade. The annual loan payment is \$55,000.00 which will be transferred from the Sewer Capital Reserve Fund each year.

**CITY OF CANYONVILLE
BUDGET SUMMARY FOR IFA LOAN DEBT FUND #39**

This is a new fund that has been created for the Phase II sewer upgrade IFA Loan Payment Debt. The City obtained a loan for \$1,000,000.00 from IFA on which only \$920,957.00 was spent. That is a **savings of approximately \$10,000.00 a year** for 20 years on this loan. That is a **savings of \$200,000.00** over the 20-year span of this loan. So, the annual payment for the \$920,957.00 @1.36% interest for 25-year term is \$44,821.84.

The annual payment will be transferred from the Sewer Fund each year.

TOTAL REVENUE: **\$55,000.00**

Beginning Fund Balance: Of \$10,178.00 is the savings from the decrease in the annual payment.

Transfer – Sewer Fund 39-00-44795: The annual IFA Loan payment in the amount of 44,822.00 is transferred to this fund from the sewer operating fund.

DEBT SERVICE: **\$44,822.00**

USDA Loan #1 annual payment 38-10-68100: The annual IFA loan payment is \$44,822.00.

RESERVE: **\$10,178.00**

Reserve -IFA 39-10-66900: This line has been added for the difference between the original payment amount and the actual payment amount.

TOTAL EXPENSES **\$55,000.00**

ADOPTED BY THE CITY COUNCIL THIS 20th DAY OF JUNE 2023.

SIGNED BY THE MAYOR THIS 20th DAY OF JUNE, 2023.

 CHRISTINE MORGAN, MAYOR

ATTEST:

 Dawn Bennett, City Administrator/Recorder

I certify that a public hearing before the Budget Committee was held on MAY 8, 2023 and a public hearing before the City Council was held on MAY 15, 2023, giving citizens an opportunity to comment on use of State Revenue Sharing.

 Attest, City Administrator/Recorder, Dawn Bennett

FORM LB-1

NOTICE OF BUDGET HEARING

A public meeting of the City of Canyonville will be held on June 20, 2023 at 7:00 pm at City Hall Council Room, 250 N. Main, Canyonville, Oregon. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2023 as approved by the City of Canyonville Budget Committee. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at City Hall, between the hours of 8:00 a.m. and 4:30 p.m. The budget may be viewed on the City Web Site @www.cityofcanyonville.com. This budget is for an annual budget period. This budget was prepared on a basis of accounting that is the same as the preceding year. If different, the major changes and their effect on the budget are:

STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING *

The City of Canyonville has completed the Phase 2 of the sewer plant upgrade. The City had secured the following funding for phase 2 : USDA Loan \$6,540,000.00 USDA Grant \$2,530,000.00; Infrastructure Financing loan \$1,000,000.00 Infrastructure financing grant \$800,000.00; City had to contribute \$419,000.00. Total project cost \$11,289,000.00. Once the bids for Phase 2 were opened on February 14, 2019 the City found that they needed to look for more funding for the additional \$1,744,016 over the estimated cost of the project. The City was able to secure an additional USDA Loan for \$500,000 USDA grant for \$178,400; the City had to contribute an additional \$1,065,616. Upon the close of the upgrade project Rural Development sold bonds to the United States of America on behalf of the City in the sum of \$6,540,000.00 and \$500,000.00. The City was able to close the loan out early and secure a lower interest rate of 1.25 % for 40 years, which saved the City a great deal of money annually. The City only spent \$920,957.00 of the \$1,000,000.00 IFA loan that was obtained. The interest rate for this loan is 1.36% for 25 years.
