Occasional mailings and news letters

Free admission to most events

Special pricing for ticketed events

10% discount on Historical Society Gift shop merchandise (excluding crafts and vendors.)

There are many ways to be involved with the society including research, preservation, living history and fund raising. In normal times, the Society meets monthly from September through April for historic lecture programs. Museum hours are the first Sunday of each month and all Saturdays in the Summer from 1 to 3. The Society is equally grateful to have members who do not have time to be actively involved in the Society, but wish to support it financially.

The Cromwell Historical Society is located in the Stevens-Frisbie House at 395 Main Street in Cromwell, Connecticut. The house is a museum featuring exhibits about the Frisbie family and the town of Cromwell. Museum hours are the first Sunday of each month and all Saturdays in the Summer from 1- 3.

Juleps & Viragoes, the living history contingent of the society, provides living history programs at special events including the Christmas Open House, the May Day Tea, and the Hallowed Ground Cemetery Tour.

Please visit the website for upcoming events and see the schedule page for complete details on the program series.

I am interested in volunteering with:

- Museum Hours       Research  
 Yard Maintenance       House Maintenance  
 Fund Raising       Receptions  
 I am busy but would like to support the Society with my membership dues.
