## Membership

Your membership will support the work of the Cromwell Historical Society and ensure the guardianship of Cromwell's historical heritage

Membership includes an annual subscription to the society's newsletter, *The Cromwell Courier*, free admission to most events and reduced admission to special ticketed events, and a 10 % discount in the Stevens-Frisbie House Gift Shop and property rentals.

There are many ways to be involved with the society including research, preservation, living history and fund raising. The society meets September through April on the fourth Monday of each month with a lecture program.

The Cromwell Historical Society is located in the Stevens-Frisbie House at 395 Main Street in Cromwell, Connecticut. The house is a museum featuring exhibits about the Frisbie and Ranney families and the town of Cromwell. The house is open on the first Sunday of the month from September through April, and every Sunday from Memorial Day through Labour Day, between 1 & 3

Juleps & Viragoes, the living history contingent of the society, provides living history programs at many events and at local schools. Throughout the year, Juleps & Viragoes participates in various 1860s reenactments and formal balls.

Please visit the website for upcoming events and see the schedule page for complete details on the program series.
