SERVICE

Cass Catering provides all necessary wait staff to clear and clean throughout the event. Every gathering is also provided with Plating, Flatware, Table Water Service and Dessert Management.

PACKAGE STYLES

Buffet Style is a large display of varying food selections and is serviced by Staff Members.

Family Style is executed by providing each table with large platters and bowls of food which are then passed, just like you might do with your own family at home. This is a great option if you want to keep people seated at tables but don't want something as formal as a plated meal.

Plated Style is considered the most traditional reception style. Couples offer their guests one Entree Selection. Meals are served as all the guests are seated creating an intimate formal Dinner.

Plated Duet Style is similar to Plated Style but offers each guest a combination of Two Entrees instead of One. Place Cards only required if a Dietary Restricted Guest is Present.

Strolling Dinner Style is a unique way to get your guests mingling while exploring a variety of Menu Items, featuring multiple stations set up throughout the Venue.
