

How beautiful upon the mountains are the feet of Him who brings good news, Who proclaims peace, Who brings glad tidings of good *things*, Who proclaims salvation, Who says to Zion, "Your God reigns!" ISAIAH 52:7

Dear HFN Partner,

Once again, we would like to thank you for your unwavering support. All the work we do wouldn't have been a success without you, may God continue to bless you with a great harvest for every seed you sow into HFN.

Below are highlights of our last events:

Sunday Fellowship And Ministry at ACM Headquarters (Maputsoe) 21 January

While in Lesotho attending my older sister's funeral(my only sibling left) in the new year, we got an opportunity to fellowship and minister at the ACM church.

Ha Thuhloane Sunday Fellowship 11 February

We had a privilege of attending a Sunday service at one of the ACM branches that we planted in 2017 through one of our Lesotho gospel outreaches. It was such a blessing to see such growth since the last time we were at the church building dedication.

Lesotho Gospel Outreaches

These were our first outreaches using our gospel truck, a dream coming true. I have had this dream since the 1990's of reaching the villages with the gospel, seeing people coming to receive Christ in numbers, and it came to pass.

This was our second outreach to Botswana this year. It was a fruitful time of ministry and fellowship. We received a special request from our July outreach, to come quarterly, because of a great needed in churches for revival and soul winning.

Morapamiseng Village; 08 – 10 February

This village is not far from the place I was born, very popular with witchcraft activities. We were able to do only one evening out of the three nights, because of the challenges we encountered. That one evening had a great impact on the villagers, with souls coming into the Kingdom.

Ha-Sofonia Village; 15 – 18 February

This is a rural village rich with the Basotho history, just outside the capital city Maseru, not far from the Thaba-Bosiu, the castle of the Basotho nation founder. I was told by the host pastor that the house behind our gospel truck was built in 1864 by one of the sons of the founder of the Basotho nation King Moshoeshoe1, hence Chief Sofonia.

Sunday Fellowship And Ministry(DRC)18 February

Sunday after Ha-Sofonia gospel outreach, we were afforded a time of fellowship at Divine Reconciliation Church let by Evangelist Hunter Matlanyane and his wife Mrs Malerato Matlanyane.

Parys (Free State Province) Gospel Outreach; 21 – 24 March

It is always a blessing to take the gospel to small towns and neglected communities. We experienced the move of God in a very special way as people gave their lives to Christ and

received their healing and deliverance.

Hammanskraal Gospel Outreach (North West Province); 29 – 31 March

This was at a newly planted church, three months old. The move of God was unique in such a way that at some times the presence of God was so strong that we just carried on worshipping.
