

Testimonial for Seth Kobo Thu, Dec 9, 5:28 AM

Dear Steve,

I am the Southern African Regional Representative, of Faith Christian Fellowship International who are based in Tulsa USA. We are a fellowship of ministers represented in 40+ countries.

Seth Kobo is an ordained minister in our Fellowship and has founded his own successful evangelical and humanitarian ministry, working in the informal settlements in Gauteng though evangelizing much further afield and even into Lesotho.

I have known Seth and his family for over 25 years and have seen him progress in the calling the Lord has placed on him. He is an exceptionally responsible and loyal man, honest and wise in all his dealings with us over the years. He has a passion for the upliftment of the poor, especially for children suffering under the burden of poverty. He works diligently to bring them at least some relief in finding food and even upgrading creches for them.

He is a man of great honor and we have never found a blemish in his character or ethics. Should you wish for further information, please feel free to call me on the number below or contact me on this email address.

Bless You

Mike Young
