

COLE'S SALON & BARBERS

SKIN TESTING

New Clients

- All New Clients will require a skin test before any colour service, When booking your colour service you will be asked firstly to pop-in for a skin test, It will only take around 5 minutes and this needs to be done no later then 48 hours before your actual colour service appointment.

Regular colour clients

- Regular colour clients will be required to do a 6 monthly skin test.
- A new skin test will be required if you change your colour shade. Or there has been a change in health or medication.

UNDER 16's

- We are not insured to colour anyone's hair under the age of 16.

COVID/MEDICATION

- If you have had COVID-19 or the vaccination recently or a change in medication since your last colour service please let your stylist know before your appointment.

General

If you are in any doubt as to whether you need a skin test let your stylist know!
