

HOME COMFORT FAMILY STYLE DINNER

Comfort Table Service Agreement

Thank you for inviting me into your home and choosing to dine with Comfort Table Foods.

Prior to finalizing your dinner plans, (referred to as the *dinner date*), please read the following:

- ❖ To ensure prompt and clear communication, I ask that all confirming correspondences be in writing via email (feedme@comforttablefoodco.com). All requests and details must be confirmed 24hrs prior to the reserved dinner date. Failure to do so may result in surcharges for last minute additions and/or changes.
- ❖ Menu ingredients are subject to change based on ingredient availability, quality, or other unforeseeable factors. Please inform me of any dietary restrictions and/or allergies you or your dining guests may have.
- ❖ Full access to the kitchen is required during the preparation and clean-up of dinner. The duration is typically a minimum of 2.5 hours and maximum of 4 hours. Please ensure the kitchen is clean and neatly organized prior to my arrival. Once dinner is served, the kitchen will be returned to its original state. ***Requests for dinner service and final clean-up are additional services to the Home Comfort Menu. Please inquire for more details and pricing.*
- ❖ A recommended \$50 booking deposit will ensure your dinner date. In the event that the date is requested by another booking and a deposit has not been paid, the dinner date may be subjected to change. An email address for payments will be provided separately.
- ❖ Full payment is required via e-transfer 72-hours prior to the dinner date.
- ❖ Home Comfort Dinners are non-refundable, but may be rescheduled to an alternate date with at least a 48-hour notice prior to the dinner date. Last minute cancellations (less than 48hr notice) will not be able to reschedule. Accordingly, the menu will be prepared, packaged and delivered (refrigerated) to your home on the day of the original dinner date.

My promise is to enter your home & your kitchen with the utmost respect.
