

COMFORT TABLE SERVICE AGREEMENT

Thank you for inviting me into your home and choosing to dine with Comfort Table Foods.

Prior to finalizing your event plans, please read the following:

- ❖ To ensure prompt and clear communication, I ask that all confirming correspondences be in writing via email (jendanghuynh@gmail.com). All requests and details must be confirmed 24hrs prior to the reserved dinner date. Failure to do so may result in surcharges for last minute additions and/or changes.
- ❖ If the grocery shopping will be completed by Comfort Table Foods (CTFC), menu ingredients are subject to change based on ingredient availability, quality, or other unforeseeable factors. Please inform me of any dietary restrictions and/or allergies you or your dining guests may have.
- ❖ Full access to the kitchen is required during the preparation and clean-up of the event. Please ensure the kitchen is clean and neatly organized prior to arrival. The kitchen will be returned to its original state following preparation and service.
- ❖ A deposit may be requested to cover the cost of groceries at least 24 hours prior to the booked date.

*My promise is to enter your home with the utmost respect
and return your kitchen to you neat and tidy!*
