**Important:** Please complete and sign below to ensure your request includes all information required to process this request.

*All ACC Request for Review and Approval Forms must be completed and signed by the homeowner with an original signature of the homeowner. Copied and/or electronic signatures will not be accepted.*

Completed Requests for Review and Approval can be delivered to the ACC Members via email to [svaccstar@gmail.com](mailto:svaccstar@gmail.com):

**Homeowner must initial each of the following statements indicating they have read, understand & agree to the following:**

\_\_\_\_\_ No work is to begin until written approval is received from the ACC.

\_\_\_\_\_ All requests must include a diagram to show the placement, design, and color for which approval is being requested.

\_\_\_\_\_ Samples of all exterior colors, materials, finishes, roofing, must be provided and identified in the request.

\_\_\_\_\_ Section 10.2 of the CC&R's states the ACC has thirty (30) days to review and approve requests. The ACC will approve/deny requests as quickly as possible. Homeowner understands work cannot commence until approval is provided by the ACC.

\_\_\_\_\_ It is the Homeowner's responsibility to contact the City of Star for any necessary permit(s) and setback requirements.

## **HOMEOWNER'S REQUEST & ACKNOWLEDGEMENT**

I request the information submitted here be reviewed by the Streamview Homeowners Association Architectural Control Committee for approval of the work described herein, including any attached documentation. By my signature below, I acknowledge and attest I am the Homeowner of Record for the property named above, and I attest the information is true, correct and complete.

I understand the Streamview Home Owner's Association CC&R's require prior approval from the ACC Board for significant landscaping, building, renovation and/or additional work on the property. I attest the result of the work will not be detrimental to the value of the property and/or neighborhood and if seen by others who are observing the lot or building(s) from a street-view it will be pleasing to the eye and consistent with the colors, designs and styles of the neighborhood. Further, I understand if any substantive information submitted for approval is found to have been withheld or misrepresented, the ACC may revoke, amend or set aside any prior approval made. In such case, the Homeowner may be liable for other costs and CC&R violations pertaining to the fault and any work necessary to correct a deficiency.
