Flexible Results Oriented Training From Subject Matter Experts

About

Modern Kaizen LLC is an esteemed employee development company, recognized for its dedication to enhancing soft and specialized skills across the private and public sectors. With over 10,000 hours of accredited training, our award-winning content is designed to empower organizations and foster transformative growth.

As a distinguished, minority-owned Service-Disabled Veteran-Owned Small Business (SDVOSB) and a Certified Disabled Veteran Business Enterprise (DVBE), we take pride in delivering exemplary Lean Six Sigma training and process improvement workshops. To date, we have certified more than 15,000 individuals in Lean Six Sigma methodologies, both virtually and on-site.

Our comprehensive portfolio includes proprietary Root Cause Analysis training, tailored for service and product industries, to help organizations identify and eliminate the root causes of operational challenges.

Accredited by the Council for Six Sigma, we ensure quality and excellence in our training offerings, supported by a state-of-the-art Learning Management System that provides students the flexibility to learn at their own pace. Additionally, we offer customized safety training designed specifically for the Construction and General Industry Fields.
