

# REBUILDING LIVES

Two-Fold House is a 501(c)(3) organization dedicated to guiding inmates toward a brighter path and helping newly released individuals rebuild their lives. We partner with local organizations throughout Central Florida to help:

- ✓ Prepare them for work
- ✓ Provide mental health counseling
- ✓ Recovery support
- ✓ Financial coaching
- ✓ Clothing
- ✓ In-house Life skill classes
- ✓ Spiritual Service (encouraged but not required).

We also partner with staffing agencies to find gainful employment among other services.

# ABOUT TWO-FOLD HOUSE

---

Two-Fold H.E.L.P. Ministries purpose is to reach out to those incarcerated in jail and prison—those who think their lives have ended. The Ministries is on a mission to help prisoners by ministering directly there.

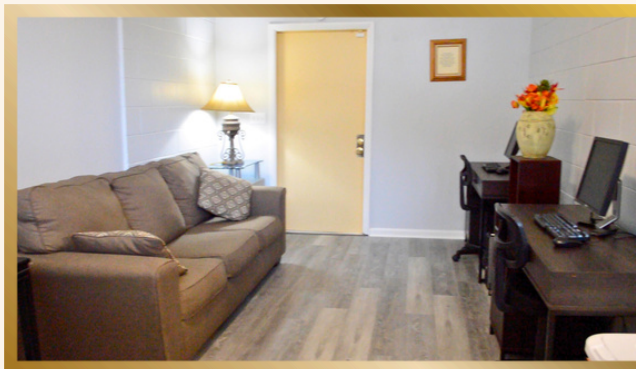

Two-Fold House is a subsidiary of Two-Fold H.E.L.P. Ministries. The organization has opened two transitional homes that provide a safe environment where people have a second chance to learn essential life skills and how to reenter the workforce and become self-sufficient citizens again.

Acceptance into this program means you will comply with all court orders, state probation guidelines and curfews.

The house has rules and regulations that residents must follow. Safe/Stable housing is a massive component in achieving long-lasting sobriety and re-entry into society. The program lasts 6-12 months. The curfew is Sunday - Thursday 10pm and Friday - Saturday at midnight. The residents have to attend AA meetings in-house or outside if required. We conduct weekly life skills in-house classes and grievance sessions. Counselors/Mentors come in once a week to counsel the men. Weekly Spiritual Services are encouraged but not required.

The Two-Fold House is your home while you begin your journey toward independence and freedom from addiction. The rules in place help you accomplish several things, making you a better person. Please know that our program is designed to aid you in your recovery and personal growth. Many of these "rules" actually prepare you to begin living alcohol/drug-free and get you ready to transition back into society. Recognizing and following these expectations strengthens your recovery by helping you live orderly and responsible lives.

Reverend Chislom, believes people are made in the image of God, and **No life is beyond His reach.**
